

The Gazette

Town considers motel-restaurant proposal

A request for a land use resolution and a tentative approval of a development permit of a 35 unit motel, 60 unit future development and a family restaurant in the area of the Club Mocambo was discussed at the council meeting on Monday night and the matter was referred to next week's committee of the whole meeting.

Representatives of EDCA Developments Ltd., Mr. Bill Cooper and Mr. G. C.

Slocombe, were at the meeting and initially they had come forward with a proposal for the development of a restaurant on the site but negotiations with the company concerned had not materialized into realization of that development.

Coun. Thronsdon noted that at the time that the matter was brought to council it was understood that the ravine behind the development was to be under

the control of the town. Currently there is talk of a rapid transit routing through the area, and the zoning of the property is currently of a R3 variety. He pointed out that the R3 zoning changed to a highway commercial zoning would increase the value of the property and make purchase of the property for the purposes of a rapid transit routing an expensive proposition for the town.

Coun. Breadner felt that it would be premature to discuss the matter until a design brief had been prepared and examined. Coun. Thronsdon didn't agree with this point and felt that the matter could be discussed because it was a suitable development for the area. Mayor Plain felt that the matter could be referred to the committee of the whole meeting on July 14 and also that the matter was germane to discussions of the alternative land uses of the Ball Estate area.

Coun. Fyfe moved that the matter be referred to the committee of the whole meeting on July 14. The motion carried 4 to 1 (Coun. Breadner was opposed).

Progress is apparent at the RCMP building site these days as construction workers are at work and the new police building, located on Sir Winston Churchill Avenue across from the shopping centre, seems to be well underway. The contractor is Harsim Construction.

Lacombe Park expansion gets green light

St. Albert town council ratified a list of seven recommendations at their meeting on July 7. Coun. Luky and Coun. Smith were not at the meeting.

The councillors voted 5 to 0 in favour of accepting the Lacombe Park Lake proposal in principle subject to ratification of details with town staff.

With respect to the proposed subdivision, Stage 9, Lacombe Park, council voted in favour of the approval of the tentative plan subject to the following conditions: execution of the development agreement covering servicing and other improvements required by the municipality; rezoning some and classifying other portions of the proposal, execution of an off-site charge bylaw; registration by plan of survey, as approved by council and conformance with section 16f of the Planning Act, (relating to payment of property tax).

The council voted 5 to 0 in favour of endorsement of the submission of St. Albert Broadcasting Limited as presented on June 23, and also voted 5 to 0 in favour of the mayor or designate submitting a brief to the CRTC hearings tentatively scheduled in the first week of February, 1976.

Council approved the undertaking of a regional sewer study by Stanley Associates at a cost of up to \$9,400. The vote was 5 to 0. Coun. Fyfe wondered about the progress of the study and Mayor Plain noted that the results would be complete by the middle of August.

The councillors voted 5 to 0 in favour of acceptance of an architects agreement be-

tween Groves, Hodgson Architects Ltd., and the Town of St. Albert for design of a municipal building to be located on Sir Winston Churchill Avenue.

The final committee recommendation stated "that, in light of the additional information, council support the application of Canadian

Please turn to page 2.

This group of youngsters at Lions Park last Friday had little trouble overcoming the intense heat. Their solution was a cool spray of water from the fountain located near the gate to the Park. The Gazette photographer could barely resist getting in there himself.

Twenty ton machine crushes Edmonton man

An Edmonton man was killed almost instantly July 8th when he was crushed to death by a 20 ton packer at the Lacombe Park Lake site in St. Albert.

Brian Simon Murchison, 21, of 13011 - 137 Avenue, Edmonton, was checking the grade at the lake site at about 7:45 a.m., when the accident

occurred.

According to a Standard General company spokesman, the firm Murchison was working for, he was working at an area with which he was familiar and may have been watching another piece of heavy grading equipment when he was run over by the packer.

The company spokesman said that after the accident the entire job was shut down and the driver of the packer, whose name was withheld, was taken to the Sturgeon General Hospital in a state of severe shock.

He was released a few hours later after seeing his

Please turn to page 2.

Board unhappy with site for new school

Trustees of the St. Albert Protestant Separate School District No. 6 attended the last regular meeting before the summer recess on Wednesday, July 2. Major items under discussion included the site for the new Lacombe Park Community Core school, the acquisition of color TV equipment, and support for district retarded children placed in special programs in the Edmonton Public School Systems.

LACOMBE PARK SCHOOL

Trustee Don Munro, chairman of the Buildings and Property Committee, gave the board some background information relative to the BACM Stage 9 development in Lacombe Park. He remarked that both St. Albert school boards had been given little opportunity to provide input into the overall plan-

ing of the area and that the result had been a fairly limited choice for a school site. A number of factors had

to be considered and District 6 comprised only one of four parties involved. (The others

Please turn to page 2.

Town will purchase ten transit buses

The town will purchase 10 new transit buses with option package at a total cost of \$681,942, which will use most of the provincial grant for transit projects which amounts to \$780,000 over six years. St. Albert has received \$260,000 with \$130,000 due on April 1, 1976. The town will temporarily finance the remaining \$421,942.

There was some discussion on the advisability of purchasing optional equipment totalling \$5,393.30 per bus. Included in the option

package is seating equipment which is resistant to vandalism and enhances rider comfort for \$5,292.50; a spare tire at \$68.90 and a split type rear window which is more economical from a replacement point of view.

The optional seating is of a cloth variety rather than vinyl and in the discussion it was felt that this would make the buses more attractive for charter use.

Councillor Breadner wondered if the town should

Please turn to page 2.

Dist. 6 Board

Continued from page 1.

being: District No. 3, the Town of St. Albert, and BACM). Mr. Munro said that some of the areas of concern to the board had been alleviated, namely, the location of the hockey rinks. These were to be situated immediately behind the school and will now be moved elsewhere. Also, a shrub or tree line will separate the District 6 school from the adjacent school belonging to District No. 3. He moved that the board accept the revised plans with a modification in respect of the parking area which should be altered to separate the bus area from the staff parking area.

Trustee Shirley McCaffery was unhappy with the site. She reasoned that it allowed insufficient space for future expansion and that the congregation of two community core schools and the Kinsmen Community Centre in the same area detracted from the whole point of the community core school concept.

Chairman Bill Webber

agreed with Mrs. McCaffery that the location of the community centre was poorly chosen but felt that the board had little alternative but to consider what it already had. Mr. Munro's motion was put to the vote and carried 4-1 with Trustee McCaffery in opposition.

CHAIRMAN OPPOSED TO NEW TV EQUIPMENT

The board passed a motion put forward by Trustee Munro to purchase coloured TV equipment for new schools and similar equipment for already established schools where the existing black and white equipment has to be replaced. This did not include a camera.

The motion was preceded by a lengthy discussion among the trustees who sought advice from district administrative staff. Chairman Webber and Trustee McCaffery both questioned how much television is being used in schools and how successfully.

Superintendent Elmer Gish and Assistant Superintendent Bob Prahrer spoke in favour of purchasing the new equipment. Mr. Gish explained to the trustees that the district had not surveyed the use of television in schools, and had not pushed

its use as an educational tool, and an estimate of its effectiveness could not therefore be made. He thought, nevertheless, that a child who is used to viewing colour would not be "turned on" by black and white.

Assistant Superintendent Prahrer added that programs such as Sesame Street and the Electric Company are shown to Division one classes and many other good educational programs are viewed. Junior high school students watch the serialized historical and biological programs and these are greatly enhanced when in colour.

The motion to purchase the equipment was carried with Chairman Bill Webber opposed.

FINANCIAL SUPPORT FOR RETARDED CHILDREN

The board approved a recommendation from Superintendent Gish for the district to pay tuition fees for district mentally retarded children who are placed in special programs in the Edmonton Public School System and to assume responsibility for the transportation of these students. This follows several meetings between the board and affected parents.

Continued from page 1.

parents. The company spokesman said that the accident is being investigated by the RCMP, Standard General and also the Workmen's Compensation Board so that more can be learned about the circumstances of the accident.

The spokesman was at the accident after it happened and described it as really bad, "but when you're dead, you're dead."

It seems that Murchison was dead before he arrived at the Royal Alexandra Hospital in Edmonton and there may be an inquest said the

company spokesman. RCMP quoted the time of Murchison's death as 9 a.m., about 1 1/4 hours after the accident. The company felt very bad about the occurrence the company spokesman added.

GAGNON TRIAL HELD OVER

A preliminary hearing has been set for September 17 for a 36 year old Edmonton man on four charges connected with the highway deaths May 25 of Andrew Maltby, 18, of 3 Greenwich Crescent, and Yvonne Brostrom, 18, 34 Geneva Crescent, St. Albert. Claude Frederick Gagnon

will appear that day - 1 p.m. at the provincial court in the St. Albert Community Hall following two previous hearings July 2 and 9.

According to an RCMP spokesman the trial could be further delayed after September 17.

Gagnon has been charged with:

- Causing death through the criminal negligence of a motor vehicle.
- Failing to remain at the scene of an accident when lawfully bound to do so.
- Impaired driving.
- Refusing a breathalyzer demand to test the amount of alcohol in his blood.

Town asks citizens to mail back transport forms

The Transportation Study for the Town of St. Albert, which is now in progress, will be exploring alternate access between St. Albert and Edmonton and develop an overall transportation plan for the Town.

The data collection phase

of the study includes the obtaining of travel information through questionnaires circulated to residents by the census takers in June.

Initial returns of the questionnaire indicate a reasonable response.

Some 900 forms have been returned for an approximate 15% of those given out by

the census takers.

A 20% return would be desired as an adequate sample for analysis, according to release issued by the town Monday and therefore residents who have not yet completed or returned the postage paid forms are encouraged to do so as soon as possible.

install Super V transmission on all 10 buses, and Mr. Byron, town administrator explained that such transmission is more conducive to highway use. He noted also that the colour scheme was silver and green and that the public works colours have been traditionally blue in St. Albert.

Coun. Breadner moved that the matter of requiring Super V transmission be referred to staff for a report, but the motion lost 1-4.

Motion to include the option package carried 4-1 with Mayor Plain opposed.

Motion by Coun. Thordson that council purchase 10 buses at a price of \$62,800.90 each carried 5-0.

two problems in the SPI computer control system. Because of the twoproblems one computer could not be used to diagnose the other making the problem very difficult to find.

Three representatives of Northern Electric were flown out from Ottawa and one from Regina to assist with the troubleshooting.

St. Albert's foreman Steve Hunt and his staff worked straight through for 17 hours to locate the problem.

A small short in one of the computer's memory banks was found and the exchange was back in service at 12:50 a.m. July 4.

TOWN OF ST. ALBERT

ST. ALBERT TRANSIT SYSTEM KLONDIKE DAYS

AVOID PARKING PROBLEMS

USE ST. ALBERT TRANSIT

ON PARADE DAY [WEDNESDAY, JULY 16, 1975] the Government Center bus will terminate at 102 Avenue. Extra buses will run at 8:10 a.m. from the bus station in St. Albert to the City as well as 11:15 a.m. and 12:15 p.m. from the City. At these times there will be no need to transfer coming from or going to St. Albert West. During the parade (9:30 a.m. to 11:45 a.m.), St. Albert buses will arrive and depart from the CN Station instead of 102 Avenue.

GOING TO THE EXHIBITION GROUNDS? Travel via downtown Edmonton and use your free transfer onto the ETS.

Coming from the Exhibition Grounds the following R3 buses at the North gate of the grounds connect at 118 Avenue and 124 Street with the St. Albert bus: 09 minutes past the hour until 3:09 p.m., then 3:39, 4:09, 4:39, 5:09, 5:39, 6:09, 6:39, 7:09, 8:09 (but not on Saturdays), 9:09 and 11:09 p.m.

Bilodeau-Longpre wedding

Banked with baskets of gladioli, mums and daisies the altar of St. Albert Roman Catholic Church was the background for the lovely early summer wedding of Miss Yvette Longpre and Robert Bilodeau. Rev. F. Bedner of Leduc and Fr. Jake Joly performed the double ring ceremony for the daughter of Mr. and Mrs. Lucien Longpre of St. Albert and the

son of Mr. and Mrs. Jos. Bilodeau of Vimy.

The bride, given in marriage by her father, was radiant in an exquisite gown of peau d'elegance featuring a bodice daintily sheered and accented by alencon lace. The A-line skirt was enhanced by a waist train. The double layered waistline veil trimmed with alencon lace was held in place by a

delicate Juliet cap. A cascade of red roses with rosebud streamers formed her bouquet.

Bridal attendants were Miss Muriel Longpre sister of the bride, Miss Sylvia Bilodeau, sister of the groom and Miss Terry Bergevin, friend of the bride. They were charming wearing floor length multi-coloured light blue jersey gowns. White picture hats complimented the decor and they carried baskets of daisies. The groom was attended by his brother Gilbert Bilodeau, Gerald Longpre, the bride's brother and Al Douzich, friend of the groom.

Organist was Mrs. Kennedy and soloist was the bride's mother's cousin Mrs. Delores Wozney. Altar boys were Allen and Robert Proulx. Ushering the guests were Gilbert Longpre and Arthur Bilodeau.

Following the church ceremonies a banquet was held at the Morinville Recreation Centre with some 225 guests in attendance. Master of ceremonies was Fern Proulx. Grace was said by Mr. Jos. Desaulnier. Toast to the

bride was proposed by Mr. Louis Proulx and Gilbert Bilodeau toasted the bridesmaids. A wedding dance followed to complete the happy day.

To receive her guests the bride's mother chose a coral polyester double knit floor length ensemble complimented by white accessories and a white orchid en corsage.

The groom's mother chose a gown of yellow polyester crepe featuring short bell sleeves and a serpentine pleated skirt. Her accessories were white and a white orchid formed her corsage.

For a wedding trip to California the bride donned a light coral and blue double knit suit. Her accessories were light tan and white daisies formed her corsage. Upon their return the happy newlyweds will take up temporary residence in St. Albert, and will later move on to Atlanta.

Out of town guests were from Qu'Appelle and Lipton, Saskatchewan, Millet, Nanton, Okotoks, Penticton, B.C. Elk Point, St. Paul, Regina, Father, Vegreville and Toronto.

MR. & MRS. ROBERT BILODEAU

Advisor on Indian Women's Activities appointed

Claudine Van Every-Albert, a Cayuga Indian from the Six Nations Reserve near Brantford, Ontario, has been appointed advisor on Indian Women's Activities.

In this newly-created position within the Community Affairs Branch of the Department of Indian and Northern Affairs, Mrs. Van Every-Albert will work closely with the nearly 200 Band-level Indian women's organizations across Canada. She will help to acquaint them with programs and resources which are available to them and as well, will assist them in establishing and maintaining contact with each other and in publicizing their activities and accomplishments.

Mrs. Van Every-Albert graduated from Trent University, Peterborough, Ontario in 1974 with a B.A. in Native Studies. While a student she helped organize the Trent University Native Association and served as

one of its executive board members. She has been an active organizer and executive member of the Ontario Native League for Youth, has provided volunteer services for the Native Sisterhood in the Prison for Women in Kingston, Ontario, and taught the native studies session in a course for Classroom Assistants at London, Ontario.

REFLECTS

Where are we going ?

The Ad Hoc Committee on traffic safety and the St. Albert Safety Council have come up with a number of practical recommendations for improving safety on Highway Two. Discussion on the report did not indicate whether either group had considered a link fence with cable rather than the raised-curb median with guard rails. The fence would have a degree of resilience which the median does not, and the costs would be significantly lower.

Link fence is used with considerable success in Los Angeles, which has an outstanding record as regards fatalities. This city leads the world in highway research and engineering.

Both groups are also concerning themselves with bus safety in the town, particularly since both transit and school buses have been involved in accidents recently. A major difficulty with large transit buses arises from the narrowness of many streets.

Council has moved to purchase 10 big transit buses at a cost of \$682,000. Government funding for urban transportation is \$130,000 annually for six years from 1974, plus \$3 per capita or 50% of audited deficit annually. These government grants take care of the purchase of the 10 buses and help with the deficit.

However the costs of maintaining the buses, housing them and providing drivers for shifts will be high. So will eventual replacement costs and road maintenance costs. Mini buses would be more practical and less expensive for St. Albert streets which were not designed for the big buses, making them a safety hazard.

Why not mini buses for use in conjunction with the present transit buses? The large buses may often be observed on our streets carrying only a handful of passengers, except at peak times. In addition mini buses could possibly serve a Dial A Bus function such as has worked so well in centres the size of Regina. They would also be much easier on our streets, providing further cost savings.

Parking requirements for the large transit buses have caused new Yellow Line extensions in the downtown area which are adding insult to injury for the long suffering merchants. Business people are outraged at this latest development - and rightly so. They have big investments at stake and for years have been endeavouring to work with the town to provide offsite parking, to no avail. The only measures taken have been parallel parking and now the extended no - park areas to accommodate buses - both having serious impact on the businessmen.

Council has been involved in a regional transportation study which results have not yet been released. We wonder what discussions took place with the City of Edmonton and ETS officials, and what their suggestions were, having many years experience in the transportation business.

Unfortunately people paid to do studies all too often tell councils what they want to hear. It's better business for them and they are given terms of reference. But surely no honest study could recommend that council go ahead with the purchase 10 big buses.

Are town finances in such good shape that they can stand this purchase - with related housing, upkeep, and street

WELL, SINCE YOU'RE GOING TO DO A FEW REPAIRS ON THE OL' HOLI-DAY TRAILER I MIGHT AS WELL ALERT THE GARAGE, ELECTRICIAN, FIRE DEPARTMENT AND HOSPITAL ...

maintenance costs? The 4.4. million dollar recreation complex - 50% or more at town expense is a big investment as well, plus upkeep and operational expense. And now plans are underway for a new town hall - whoops - Civic Centre.

In addition there are many street and road improvements needed and, in the name of safety, bicycle paths become more essential each year, plus traffic lights at a number of busy intersections, and widening of main arteries.

We have had a good year with the ETS Contract and the deficit was approximately \$50,000 less than estimated. St. Albert residents won't mind a mill on their taxes for excellent ETS service but will and should scream if the cost goes to 4 to 5 mills municipal tax subsidy.

It may be presumptuous to question a Professor of Economics, five other educators and a lawyer, but

Where are we going?

EMPLOYMENT STATISTICS SHOW INTERESTING DATA

Preliminary estimates for the three months ended May 31 who an increase in the number of vacant jobs from the three-month period ended February 28, 1975. Vacancies for full time, part time and casual jobs rose to 64,800 from 60,500 in Canada.

However, this increase was substantially lower than those that occurred in the corresponding periods of each of the four preceding years. On a year to year basis, vacancies were down by 39,400.

Vacancies for full-time jobs numbered 57,800 at May 31, up 4% from February 28, 1975 but down 38%

from May 31, 1974.

For every 1,000 existing jobs in the latest three-month period, eight were vacant, the same as in the preceding period but down from 13 a year earlier.

Total labour income for April was estimated at \$6.85 billion, up 14.6% from a year earlier.

Adjusted for seasonal variations, the April estimate of \$6.94 billion showed an increase of 0.4% from the March level. Wages and salaries in both the goods-producing and service-producing industries advanced at approximately the same rate.

Forces Need Strengthening

It is never out of place to say a few words on a problem which should be of great concern to all Canadians, the issue of national security and Canadian sovereignty.

Although Canada has nuclear protection under the NORAD agreement, there is very real doubt that its conventional forces are strong enough to resist and deter an aggressor using conventional methods. Such a weakness is tantamount to nuclear suicide, since nuclear resistance would be the only option open.

The people of Canada have a right to a viable defence force to protect them in some unforeseen crisis, internal or external, in days when such an event seems more likely than not.

Does a force of 78,000 seem a fair return for your tax dollar in a country where one Territory alone, the NWT is about 1.2 million square miles in area? Defence somehow always seems to be a dirty word, but when the chips are down, you're lost without it.

Every night when you watch the news, you are probably aware that there is too much news dealing with international crisis, or domestic flare-ups.

We may not like this, but this has always been the state of the world from time immemorial.

Again, it should be asked, do you think that Canada can really feel secure with only 78,000 men to protect her far

flung borders in the event it should be necessary?

Not wishing to promote an arms race, just look at the strength of "hostile" countries and also our neighbour to the south and judge for yourself whether the Federal Government has not lulled you into a false state of security in the last few years of comparative peace.

Russia, excluding the Warsaw pact forces boasts total armed forces of three million men with a 250,000 Strategic Rocket Reserve Force. China is said to be able to put 16 million under arms at virtually a moment's notice. Since the Second World War, America's armed forces have been trimmed to only 1.85 million fighting men. These figures are from a very reliable source, Whitaker's Almanac 1975. Although Canada can look to NATO and Europe for help in any emergency, by any sane comparison, her own forces are woefully inadequate to deter any really determined aggressor.

The logic of the situation is that if an aggressor were to attack Canada to gain control of her valuable resources, she would have to turn to friends for protection, because her own armed forces would not be strong enough to stand a hostile thrust by the enemy.

It is ironic that a line in the Canadian National Anthem, "We stand on guard for Thee," a line which makes your chest stick out with patriotic pride, is so cynically disregarded by a Federal Government which thinks that a country the size of Canada can be safely guarded by a national force of only 78,000 men.

Technical committee, working document to aid joint use

Mr. Dale Bjornson, chairman of the Parks and Recreation Board, attended the council meeting with two recommendations from the board for council's ratification. The recommendations dealt with joint use and the board's role in the dispersal of grants.

Regarding the joint use agreement, the board submitted a recommendation stating that "the technical committee as outlined in the Joint Use Agreement be structured and initiate a working document for the three responsible parties."

Mr. Bjornson noted that the two school boards have agreed with re-entering the joint use agreement and that the agreement should be underway as soon as possible. He said that the working document was additional to the joint use

agreement and amounted to the regulations and terms of work within the agreement. Mayor Plain pointed out that the working document could be amended without an amendment to the joint use agreement and would not require formal amendment as would be the case in the situation of an amendment to the joint use agreement.

Coun. Breadner expressed concern that the school boards would be on holiday and therefore it would be difficult for all parties to get together. Mr. Bjornson said that the school boards were prepared to accept the matter and changes could take place without amendment to the overall agreement.

Coun. Breadner made the motion regarding the structuring of the technical committee and the initiation of a

working document for the three parties concerned. It carried 5 to 0.

The second recommendation dealt with grants for Parks and Recreation purposes and the distribution of

these grants through the Parks and Recreation Board. Mr. Bjornson explained that the yearly Parks and Recreation budget would include the grant requests approved by the board for the upcoming year and the re-

commendation was intended to give the board the authority to disperse these grants.

Discussion ensued regarding the intent of the motion and whether or not council would have input as to how these monies would be allocated.

Coun. Wetsch wondered if the board would make recommendations and then discuss requests for grants with council. Mr. Bjornson explained that the total budget from the board would include all the requests received and approved to the deadline date, along with an extra allowance for incidental grant requests which may come up. Coun. Wetsch pointed out that council should have the information regarding the requests.

Coun. Thronsdon noted that there was some diffi-

culty in the wording of the recommendation and Coun. Breadner was in favour of having the recommendation referred back to the board for redrafting. This was not felt necessary.

Coun. Thronsdon moved that the recommendation read "that the authority to make recommendations regarding the dispersal of Parks and Recreation grants be delegated to the Parks and Recreation Board and that a budget be prepared annually by the Board reflecting the total Parks and Recreation grant requests for that calendar year and that the grant budget be recommended to council for approval at the appropriate time."

The motion carried 5 to 0. Coun. Lukay and Coun. Smith were not present at the meeting.

Coordinator to be hired-joint use

Town council voted 5 to 0 in favour of applying to the provincial government for funding for the position of Community School Coordinator at the council meeting on Monday night.

Mayor Plain noted that the school boards had been contacted and there had been agreement that the town should pursue the grant for the position.

Coun. Thronsdon wondered if the matter had been discussed with the Parks and Recreation Department. He moved that the town approve the position conditional to the provincial government funding for the position.

Coun. Fyfe wondered if the rationale for the position should include school use of community facilities in addition to community use of

schools and it was noted that the Parks and Recreation Board enforces use of town facilities.

Mr. R. L. Byron, town administrator noted that the coordination of community use of schools requires a full time handling.

The community school coordinator would be appointed for a three year trial period contingent on the receipt of funds from the province. The individual filling this position would be responsible to the Community Recreation Coordinator and will be responsible for the successful implementation of the provisions in the Joint Use Agreement between the school boards and the Town of St. Albert as they pertain to the use of schools.

St. Albert-Edmonton

Pow Wow Days

It's Edmonton Indian Days, from July 18 - 20 at Poundmaker Lodge three miles east of St. Albert.

This pow wow should not be confused with one being held in conjunction with Klondike Days, July 19 and 20 at Twirler Park.

The St. Albert event was started last year to promote Indian culture and attracted more than 5,000 people, including 425 native dancers, from Canada and the United States.

Eric Shirt, chairman of the committee, says he expects an even larger crowd this year. Festivities are open to the public.

The event doubles as a showcase of Indian culture and a convention of representatives from alcoholism and drug abuse programs throughout North America. Therefore no booze will be allowed.

A flag-raising ceremony kicks off at 7 a.m., followed by lectures on alcoholism at 10 a.m.

Hand games, a form of gambling involving marked and unmarked bones, will be held at noon. Teams of eight players will compete for a trophy.

Every two hours during the dancing elders will talk on Indian culture, history, alcoholism and other topics. The Day's committee will honour dignitaries at a dance July 2 at 2 p.m.

Pow-wow participants will begin to show up at the Lodge five miles north of 137th Avenue and 142nd Street, July 17 to set up their teepees. Last year a camp of more than 60 teepees sprang up.

The celebration is sponsored by the Nechi Institute, Poundmakers Lodge, Canadian Native Friendship Cen-

tre, Enoch Indian Band and other individuals and agencies.

RCMP act on Safety Council recommendations

Minutes of the St. Albert Safety Council meeting on June 26 reveal that steps are being taken by the RCMP on several matters referred to them after the previous meeting. Those riding bikes without lights will be checked and advised on the bylaw and repeating offenders will have their bicycles impounded. Warnings have been issued to persons missing toboggan hill in Fountain Park, and the ETS and School Bus owners have been advised that some buses are exceeding the speed limit. Violators will be prosecuted.

The council was encouraged that two more new members joined "after the apparent apathy of residents to the existence of the council and the safety measures it endeavours to promote."

INTERSECTION HAZARD

Rod Thronsdon, town council representative, advised that four-way stop signs will be in effect at

Grandin Road and Sir Winston Churchill Avenue in September.

The next meeting will be on Thursday, July 10. More new members are always welcome.

Hectic times at town hall these days with the move taking place into the new addition at the east end of the building. Some of the "front end staff" will be moving into the 1,400 square foot addition (not 14,000 square feet as previously reported). The move is the reason for phone problems and other difficulties that the public may have been experiencing at the town hall recently.

SAFETY TIP

Electrical storms are prevalent at this time of year. If caught out of doors in such a storm, one of the safest places you can be in is your car. Don't stand under a

tree!

BLOCK PARENT PROGRAM

A meeting had been held with Kay Romeril, retiring

co-ordinator of the program, to arrange the take-over by the Safety Council.

It is hoped to extend the program, with meetings and intensified advertising planned to prepare for the new school year. There will be further discussion at the July 10 meeting.

ALBERTA SAFETY COUNCIL ANNUAL MEETING

Jane Nelson represented the St. Albert Safety Council at the annual meeting of the Alberta Safety Council held in Calgary. She reported the intention to set up a home safety program. Dr. Buchwald of Calgary had requested the statistics drawn up by the St. Albert Safety Council to aid them in setting up this program.

Two resolutions were passed: one asking the Provincial Government to reduce the highway speed limit to 55 mph, and one requesting mandatory seat belt legislation.

The Alberta Safety Council also plans to revamp the pedal-pushers' program, and asked for information from

our pedal-pusher co-ordinators.

BUDGET

Following discussion of the Safety Council 1975/76 budget, it was felt that some new projects could be considered. One suggestion was for a fire safety and information program in conjunction with the Town Fire Dept. A decision will be made following discussion with Fire Chief Parnell.

FIRST AID

Seminars in First Aid are planned to commence in the Fall.

SCHOOL SAFETY EDUCATION

Rod Thronsdon advised that Safety Education will be a part of the curriculum this coming School year and requested the assistance of the Safety Council in providing literature etc. The Safety Council endorses the School Board's renewed emphasis on safety, and will be glad to assist in any way possible.

Welcome planned for Eastern Guides

Guiders Mrs. Ronald Yeats and Pauline Vaugeois will lead the Tamarac area welcome to 16 eastern Guides at a campfire at Mio

Wi Ka Win this Friday evening.

The public is cordially invited to the campfire. Mio Wi Ka Win is located about

2½ miles northeast of the Dairy Queen and the right of Sturgeon Road. The program will begin at 7:30 p.m.

Mrs. Yeats, captain of St. Albert Second Guide Company, and Miss Vaugeois, area deputy commissioner, will be assisted by Guides Jill Chiasson, Janet Kay, Ruth Stengrin and Cindy Smith. Mrs. James Symonds, editor of Tamarac area Mouthpiece is program co-ordinator.

The eastern Guides, seven from Quebec and nine from Newfoundland, will be guests of Tamarac area and Pine Acres division for the next four days. Arriving in St. Albert about 2 p.m. Friday, they will go to the homes of the local Guides who are their hostesses. Saturday, after brunch served by Grandin Guide mothers at United Church, the eastern Guides and 16 Tamarac area Guides board a bus for Hinton and Jasper National Park. They return July 15.

In August, four Tamarac area girls will be among the Alberta Guides returning their visit. Laurel Melnychuk, Gibbons, Carolyn Seitz and Marie Louise Sorensen, both of St. Albert, are Newfoundland bound. Rhonda Smith, Gibbons, goes to Quebec.

Tamarac area Ranger Glenda Thrussell, Stony Plain, returned Monday from Ottawa where, with other Canadian Guides, she was a guest of Ottawa Guides. Besides sightseeing, Glenda helped care for the children at the birthday celebration of Governor-General Jules Leger.

The cross-Canada travel of Guides this summer results from a special project, Guiding on the Move. That Guides may learn more about each other and Canada is the aim of this project. The travel costs are partially funded by a grant from Secretary of State Honourable J. H. Faulkner, through the Travel and Exchange Division.

Prestige presents classic melodrama for K Days

The Drunkard or The Fallen Saved, directed by Jack McCreath and produced by Ron Wigmore, has all the ingredients of classic oldtime melodrama, featuring Bill Seiman as the Villain, Tom MacMann as the Hero and Cheryl Heickle as the Heroine.

Rounding out this first class cast Prestige Productions has Shirley Martin as Miss Spindle, Rita Traupe as Grandma, Shelley Superstein

as Mad Agnes and, the well known Ron Wigmore as Rencelaw.

The show opens with fanfare and typical Klondike flourish with a grand premiere on the evening of Saturday July 12 and will run non-stop every evening through Klondike Days at the Library Theatre until July 26, 1975.

Director Jack McCreath has assembled a stellar cast of new and old favorites who will be nightly rendering the

great tragic tale of young Edward who mysteriously became a drunkard, drifted to New York, deserted his wife and children, pressured by the villainous Lawyer Cribbs. Then he is just as mysteriously saved and restored to respectability in the last moments of the play. How the villain is caught, the hero saved, mad Agnes restored to sanity and the good old William restored to his sister are of course the prime elements of suspense and drama that make these authentic old melodramas such hilarious entertainment for modern day audiences.

Sets for the show are by Phil Switzer and costumes by Alice Switzer. Judy Lowen is the pianist.

Prestige Productions has planned an evening of fun and hoopla including refreshments and an after show Klondike sing-song.

Come and bring your friends for an evening of Klondike fun you'll never forget. And remember, its at the Library Theatre!

Tickets at Mike's 424-8911 or 429-0848 and the Box Office opens June 23, 1975. Curtain - 8 p.m.

Granfield Landscaping has been working on the sodding and seeding of the Fountain Park located at the east end of Sir Winston Churchill Avenue and their efforts should lead to completion of the site by mid-July. BACM was the developer who initially proposed Fountain Park. The toboggan hill has now been completely sodded and seeding work is well underway.

More drownings in Alberta

One of the dictionary definitions of an accident is "a happening that is not expected, foreseen or intended." No one "expects" or "intends" a drowning accident, but to "foresee" a happening is another matter.

It doesn't take a fortune-teller to prophesy that a person diving into unknown waters may come to grief if the water is too shallow, or

there are hidden rocks or debris.

It's no trick to predict that a poor swimmer takes a chance when he is beyond his depth, or swimming without a "buddy."

Trouble can be forecast if a boat takes off with an overload of passengers, or without the necessary life-saving equipment, or with an operator unskilled in safe handling of the boat.

Danger is to be expected if children are allowed to take inflatable toys into the water, which may drift away and lure the child out to retrieve them.

Using the foresight to anticipate what **could** happen while swimming or boating, and taking the simple precautions to **avoid** the danger, is the way to prevent unnecessary drownings.

There were 15 more accidental drownings last year in Alberta than in the previous year, and the age-group which continues to record the largest amount of drownings is 13 to 33.

Learn the techniques of personal survival and water rescue -- join a learn to swim program -- be aware of the rules for water safety. Let's make sure of a decrease in the drowning statistics for 1975!

The volume of leisure time travel into the Northwest Territories continued its upward trend with some 23,000 tourists in 1973. They brought more than \$6 million into the area.

Legion convention draws record crowd

The St. Albert branch of the Royal Canadian Legion was well represented at the 29th Biennial Convention of the Alberta Command held last month at Grande Prairie, which attracted a record of 420 delegates with as many attending the Ladies Auxiliary Convention.

President Reg Bremner, Past President Denny Taylor and 2nd Vice-President Olly Kendel, Secretary-Treasurer Wally Swenarchuk and Bill Eschak represented their branch, which was allowed three voting delegates, and Olly Kendel picked up voting status from Fort Saskatchewan. The St. Albert Legion Pipe and Drum Band attended also and made a fine impression at the opening parade and other functions.

Among the many resolutions passed and forwarded to Dominion Command and the Federal Government, was one sponsored by St. Albert pertaining to retire-

ment pensions. The resolution requested increases in the pensions related to the inflationary rise in the cost of living. Old Age Pension increases were also asked, and a lowering of the qualifying age of spouses of Old Age Pensioners.

The convention also con-

sidered activities for the celebrating of the Golden Anniversary of the Legion in 1976, and a special Legion week will be proclaimed. It was decided that Golden Certificates will be awarded for citizen's contributions to community and Legion work in their low localities.

Per capita dues will be increased effective January 1, 1976, towards the cost of maintaining the Provincial Service Welfare Bureau, to \$1.25 per member.

Wally Swenarchuk and Bill Eschak and Denny Taylor were successful in promoting sales of the Legion plaque, a St. Albert Legion project for the Golden Anniversary. The pipe and drum band was most helpful in the promotion also. Sales exceeded \$1,800, with orders rolling in from all over Alberta and the N.W.T. The handsome wooden plaque, with a choice of two bases carries a magnesium plate inscribed with "In Flanders Field." Local people may order from Denny Taylor or any member of the Legion executive.

Delegates attending the Auxiliary convention were President Marie Eschak, Past President June Kendel and Betty Bremner, with 1st Vice-President, Polly Swen-

archuk picking up voting status from Gibbons branch.

general meeting will be held September 8.

A Klondike Days dance is being held Saturday, July 19 at the Legion Hall. On the August long weekend - 1st to 4th - the fourth annual camp out and picnic for Legion families will be held at Karl Hanneman's honey farm.

SUMMER LEGION ACTIVITIES

General meetings have been suspended for July and August and the executive will operate the branch. Next

Johnny Cash -- for K-Days

Get a big marking pencil. The heavier, the better, and right now, mark Monday, July 21 on your calendar.

That's the day when superstar Johnny Cash will headline two big Coliseum presentations at Edmonton's Klondike Days Exposition. Monday, July 21, 5 p.m. and 9 p.m.

Cash, craggy-faced country music phenomenon -- his wife says his face "looks like

it's lived in" -- will be bringing his full supporting cast for the Coliseum super-show. June Carter Cash, part of the singing Carter Family before marrying Johnny in 1968; Carl Perkins; the Cash Daughters, Rosey Nix and Rosanne; the Tennessee

Tickets go on sale Friday, May 23 for \$5, \$6, and \$7 at the Box Office, McCauley Plaza, the Bonnie Doon shopping mall and in Woodward's four Edmonton stores

AROUND TOWN

Twenty-five members of the Legion Auxiliary attended the June 25th supper meeting and learned that the spring tea had netted \$500. A report by June Kendel on the Auxiliary Provincial Convention in Grande Prairie was also enjoyed. The Auxiliary will not meet during the summer and another supper meeting will open the fall season on September 16th.

These Times Are Passed With

Introducing the NEW HUMUS TOILET

Impact-Resistant Polythene Unit • Automatic Controls
Odorless Mould • Suitable As Fertilizer

The HUMUS TOILET is a biologically natural solution for all problems connected with lavatory disposal requirements and contributes to a cleaner environment.

One of the laws of nature is that all organic material returns to the soil so that it can provide nutrition for new life.

Unfortunately this cycle has been broken for many decades and the result is depressingly obvious in the form of water pollution.

Sewage outlets are among the worst water pollutants. The availability of clean water is one of the primary conditions for the existence of human life.

Our HUMUS TOILET re-establishes natural laws by creating the conditions necessary for the return of nutritive mould to earth. The HUMUS-TOILET once again closes the natural cycle and thereby improves the structure of our earth.

- No water or drainage needed.
- No unpleasant odour.
- Inexpensive to operate.
- No chemicals.
- Not much larger than normal toilet.
- Built in one integral and compact unit.
- Patented air re-circulation system. (15,000 gallons of conditioned air per hour).
- No leakage or squeaking.
- COTTAGE OWNERS
- Adjustable air humidity regulator.
- Built in hydrometer.
- Thermostat controlled heating system.
- Fully automatic stirrer.
- Successfully used in 19 countries.
- Suits everybody everywhere.
- Compact dimensions only 76x53 cm (30"x21").
- Weighs 22.7 Kg. (50 lb.).
- RURAL CAMPS
- RESORT AREAS
- FARMERS

Mother and daughter wed in double ceremony

St. Albert United Church was the setting of an attractive June wedding, when Rev. Len Musto united in marriage Miss Jan Supple and Mr. Richard Facette, and, Elaine Supple and Ron Caron, of St. Albert.

Bouquets of yellow gladioli daisies and mums decorated the altar for this unique wedding ceremony.

The brides entered the church on the arms of their prospective grooms. Jan was radiant in her gown of nylon tulle over taffeta, trimmed with sea-shell frills and an embroidered bodice of pearl flowers. Her shoulder length veil was held in place by a

juliette style headpiece.

Elaine was lovely in her gown of tiered lace, long sleeves and high-necked bodice. Her floor length veil of matching lace was held in place by a headpiece of seeded pearls.

Both brides carried matching bouquets of white gladioli, yellow carnations and baby's breath.

Miss Cindy Soroka, friend of both brides, was maiden of honour. Kim Swan, Denise Moorby and Tammy Facette attended as bridesmaids. They wore matching gowns of colored floral print and carried baskets of yellow

carnations and white daisies. To accent their outfits, they chose wide brimmed hats trimmed with yellow ribbon.

Miss Patricia Friegang was flower girl.

Attending the grooms was Mr. Murray Bremner as best man. Tim Farand, Terry Munro and Nelson Robson served as groomsmen. Martin Friegang was the ring bearer. Blair Supple, David Caron and Eugene Facette served as ushers.

Elaine's mother, Mrs. Lucille Dirks of Calgary chose a long evening gown of summer blue. Rick's mother, Mrs. Fern Facette of Thors-

by, wore an evening dress of beige with a net bolero. Mother of Ron, Mrs. Helen Caron of Vancouver chose a long pink ensemble. All the mothers wore lovely corsages of tiny white and yellow carnations.

Following the ceremony, a reception and dance were held at the Club Mocombo. Master of ceremonies was Mr. Ernie Caron of Delta, B.C.

A toast to Jan was proposed by Mr. Murray Bremner, and the toast to Elaine was made by Mr. Vic Besse.

Out of town relatives and friends came from Saskatchewan, B.C. and the North West Territories.

After a honeymoon in parts of Alberta and B.C., Jan and Rick will make their home in Edmonton, and Ron and Elaine will reside in St. Albert.

During the reception Rev. Musto spoke of this ceremony as being unique and he believes it to be a first for his church.

Mr. and Mrs. Richard Facette, left, and Mr. and Mrs. Ron Caron.

St. Albert Breakfast Lions briefs

At a recent meeting of the St. Albert Lions Breakfast Club John Kaminski, chairman of the Bike-a-thon reported that this project was a success again this year. The exact amount of funds collected is not known at present but it will be well over more than last year. Father Jake Joly and Tony Raven have been recognized for their efforts in putting this event "over the top."

Mayor Dick Plain attended the June 10 meeting of the Breakfast Lions. Mayor Plain had been invited there with the idea of being nominated a prospective member. He rode in the bike-a-thon and was heavily sponsored.

MORE SHIFTS FOR KLONDIKE DAYS

The Edmonton host club has given the St. Albert Club the chance to make more money selling Klondike Days dream home tickets this year by allotting them more shifts. Last year the St. Albert Club was allotted 30 and this year they have been given 50. More members are therefore needed to fill in the extra shifts. And this is not restricted to Lions only.

Last year's efforts at Klondike Days netted the St. Albert Club \$1,300, a tremendous response from members.

SIGN MISSING

A sign which announces the meeting time and place of the St. Albert Lions' Breakfast Club at the southern end of town is still missing. It had inadvertently been removed some months ago and there's still no "sign" of it.

NEW OFFICERS INSTALLED

New officers for the St. Albert Lion's Breakfast Club were installed at the June 24 meeting by Dr. W. Cuts. The new officers are: Lion Tamer, Dave Suroft, Tail Twister, Rick Maynard. Directors, Andy Kampen (one year), Bill Veness (one year), Al Strumbeck (two years), vice-presidents, Vince Ratchinsky, Joe Jones, Gerry Boychuk, treasurer, Al Race, secretary Gene Scanland, president, Tom Flynn.

AND HOW ABOUT THIS FOR A JOKE

A few years ago the government planted fingerling "Coho" salmon in Cold Lake with the result that today most of these have disappeared. Experiments have been conducted which now make it appear that the problem has been resolved.

The Coho salmon not being a native of the Cold Lake waters, has experienced difficulty in surviving. The female when going up the Cold Lake feeder streams, has been losing here and there on the rocky bottoms and when she got far enough upstream in the small pools and inlets had great difficulty in getting back into the mainstream over the sandbars. As high as 90 per cent, were dying in the upper reaches of the Cold Lake tributaries which caused a pollution and odour problem.

The Fish and Wildlife Division decided to cross-breed the "Coho" with the native "Walleye" for two reasons: 1) the Walleye had the strength and knowledge to get through the Cold Lake tributaries and 2) was not prone to lose the role while going upstream. This new species was named the "Cowal."

However in crossbreeding, the experiment went further. They bred the "Cowal" with the greatest fresh water fighter in North America, the "Muskie." This created a hybrid, double crossbreed and introduced a top Canadian game fish.

They named this hybrid the "Co-Wal-Ski" and all they have to do now is teach the dumb son-of-a-gun how to swim.

A comic book series featuring the alcoholic blunderings of Captain Al Cohol is proving to be a valuable educational tool for children in the Northwest Territories.

WI members attend Provincial convention

On June 11 WI members boarded the Kinsmen bus at about 9:30 with 28 women from St. Albert, Jasper Place, Pleasantview and Fort Saskatchewan. Ken Moore was our driver and Andre Rouault, our co-pilot. We all took a bag lunch which we consumed enroute and after the usual gas, etc. stops, we arrived at Olds at about 1 p.m., to take in part of the AWI conference. We heard the FWIC President, Mrs. McLean speak. She's from Nova Scotia and is a very busy lady. The St. Albert ladies were most impressed when in her talk she mentioned St. Albert Branch and the Senior Citizen's Recreation Centre. After a coffee break, a sing song and a few more talks, we broke at about 4:30. The banquet was at 6:30 and due to the large crowd, we all moved back to the gym to hear Mrs. Helen Hunley speak. Mrs. Hunley is an extremely interesting person to listen to and a down to earth woman. The St. Albert Branch put on part of the evening entertainment with a skit written in poetry form by Lorraine Moore. The skit was about building the Recreation Centre and all the trials and tribulations we encountered. During the skit we had a surprise visit from a short Santa Claus in full uniform, and the biggest New Year's baby you ever saw, clad only in a diaper. I wonder where our driver and co-pilot were during this performance. We hauled our ton of props back to the bus and arrived back in St. Albert about 1:30 a.m. Our little sing song lasted from Olds until about Leduc. We had a gas and coffee stop where we found a coffee machine. Laura Savoie thought she would make us all jealous by putting her money in and then selecting, whereby she was treated to a tasty mixture of chicken noodle soup, coffee and chocolate milk. If it was so good Laura, how come you left it on top of the machine and boarded the bus with a can of pop? Anyone who didn't go, really missed a lot of fun.

VISITOR ENTERTAINED

The next project we had was on June 17, when the St. Albert Branch hosted a pot luck supper for District 2 in honour of Mrs. Kay Rockwell from Michigan. The supper was held in the Senior Citizens Recreation Centre as the AWI representatives thought the different branches would like to see our finished project. Due to rainy weather, there were only about 40 ladies there.

Mrs. Rockwell is the American winner of the Fry-singer award. The Fry-singer program is a friendship exchange which was started by Mrs. Fry-singer, who put in the first \$500. She thought that people should see how different countries live and share each others ideas. She spoke on their conservation program, 4H and their Horticultural Therapy program. She was very interesting and a lovely lady. Mrs. Marion Alexander was the winner of the award from Canada and will be going to

the United States in the fall. The draw for the quilt was made and won by Mrs. Alice Kemps, who is President of the Senior Citizens group.

WIND-UP PARTY

On June 24 our group had their wind-up meeting in the form of a winner roast. This took place at the beautiful yard at the home of Laura

Henry. We had a short business meeting then played horseshoes and lawn darts. By the looks of the horseshoe players, I predict some sore arms on Wednesday. We then had a wiener and marshmallow roast, coffee and a lot of gabbing. The evening co-operated with us weatherwise and everyone thoroughly enjoyed themselves.

AN APOLOGY

WE WOULD LIKE TO EXTEND OUR APOLOGIES TO THE RESIDENTS OF ST. ALBERT, DUE TO A PRINTING ERROR IN THE JUNE 25 GAZETTE THE DATES OF OUR "HOT SPOT SPECIALS" SALE WERE OMITTED.

MACLEOD'S ALONG WITH THE GAZETTE WISH TO EXTEND APOLOGIES FOR THE INCONVENIENCE TO ALL THE PEOPLE WHO SHOWED SUCH AN INTEREST IN THIS SALE.

Rewards are little smiling faces

"My rewards are the little faces smiling at me."

Those are the words of Mrs. Geraldine Nagata of Edmonton, who has spent 30 devoted years looking after foster children.

While the little smiling faces are the real reward for this type of demanding work, there are others. Like the night of June 17 when Mrs. Nagata suddenly found herself sitting at the head table in the Morinville Recreation Centre, singled out among 96 citations from the Department of Social Services and Community Health for the work she has done with foster children across three western provinces.

While most of us would balk if we had more than two or three of our "own" children to look after, Mrs. Nagata, apart from having to look after her own family, now for the most part grown up, took on the challenge of looking after foster children.

She has looked after 39 from Alberta, 12 from British Columbia, and 22 from Sask-

atchewan. And looking after is a facile term to use. For when you become a foster parent, you must meet the entire needs of the children who come into your care. This means giving them the love, discipline, compassion, interest and support, the security and strength for them to rely on - all those needs that you would provide to your own natural children. That is a tough assignment and lasts for 24 hours each day.

But the success of the assignment just depends on mental attitude. Mrs. Nagata says that she just loves the kids because playing with them gives you life and you can have lots of fun by looking through their eyes.

That's why Mrs. Nagata will not retire from her job.

So the citation and the corsage that she received at the Sturgeon Foster Parents Association meeting in Morinville last month did come as a surprise for someone so devoted to her task. Also, she points out, she could not fulfil her present task of looking after three foster children, one a beautiful 20 month old Treaty Indian girl without the help of her 16 year old son Sean.

Obviously, for reasons of confidentiality, the names of the children cannot be given here, but the little Indian girl is really getting the best of both worlds. If she should ever

decide to "go back to her own," says Mrs. Nagata, she will be well prepared. For Mrs. Nagata's 20 year old daughter Carol, a private in the Canadian Armed Forces, is making a teepee, headband, moccasins and a quilt, as well as the head dress and porcupine quill symbols so that the little girl does not forget her heritage. And it seems that the 20 month smiling Treaty Indian girl has no intentions of doing so anyway. Mrs. Nagata says that when a certain ad comes on to the television portraying dancing Indians, the little youngster outdoes the boys in her interpretation of the beat.

Mrs. Nagata emphasizes that race creed and colour have no part in her philosophy and she takes all her kids as she finds them. Her little Treaty Indian will have a book made for her outlining all her tribe's culture and background. Also, Mrs. Nagata has taken great pains to feed the little girl the diet she would have received had she been with her own people. She loves the dry beef "jerky" which Mrs. Nagata prepares for her. This keeps teeth shining and healthy and far surpasses what we call chewing gum in making the mouth salivate when water may be scarce. The Awokinnak tribe were also crazy about fish and the little Treaty Indian is faithful to this trait too, so Mrs. Nagata feeds her with plenty of fish.

But there is a dark side to being a foster parent. Many children have had so many traumas says Mrs. Nagata that it can take months before you get their trust.

"Once it took two whole months before one child came to me," she explained. She also said that many of the traumas that the kids had been through, "I couldn't have endured."

Another remarkable observation she makes is that the Department of Health and Social Development were amazed when some of the children whom she looked after, near dead and dying

when they were brought to her, showed no signs afterwards of retardation.

Life for the three children at present under Mrs. Nagata's care has been quite an experience. They've seen the Canadian Armed Forces display at Namao this summer, (this led one of the boys to ask for a toy aeroplane) and they'll also be heading down to Colorado Springs with Mrs. Nagata to enjoy some of the sights down there.

The kids have also been to the Okanagan Valley, where they were delighted by the beautiful lakes and the fruit orchards.

Devoted people like Mrs. Nagata are spearheading a movement away from caring for children in institutions and there is a growing emphasis on the benefits of the more family like foster home. A good foster home is far superior to a good institution where the children get more attention and more love.

The Sturgeon area is new to the concept of foster homes, the Sturgeon Foster Parents Association getting off the ground barely two years ago.

That was the reason for holding the citations in Morinville; it was thought that such an event would give the new organization the encouragement it needed for the tasks which lie ahead.

As St. Albert MLA Ernie Jamison put it when speaking at the gathering, pro-

MRS. GERALDINE NAGATA with her certificate of merit from the Alberta Government for 30 years service in the foster parent field.

viding foster homes for any child requiring the service is easier said than done.

He urged foster parents and the associations to which they belong to lead the way, for without them the program of foster parents is meaningless.

He asked foster parents who do not as yet belong to an association to reconsider

the possibility of joining.

He informed the gathering that the first Foster Parent Association in Alberta was formed in 1966 in Edmonton. That Association continues to grow with about 200 families. However the goal of the Association is to have 928 foster families in the Edmonton area become active association members.

AROUND TOWN

Visitors to St. Albert this week include:

•Mrs. Mary MacDonald and her son, Mr. Don MacDonald both of Toronto. Mrs. MacDonald is visiting her daughter and son-in-law, Kay and Duncan Romerill of Spruce Crescent, and she will be spending the summer in our town. Don, Kay's brother, is in Western Canada on business and he will be able to stay with the family for about 10 days only.

•Mr. and Mrs. Glenn Jones of Merthyr Tydfil, Wales are on their first visit to Canada to see their daughter and son-in-law, Irene and Clive Carter of Akinsdale. Mr. and Mrs. Jones arrived on June 24 and will be here until August 7 which will give them plenty of time to enjoy their grandchildren aged 11, 9 and 3.

** ** *

Sixteen girl guides from Quebec and Newfoundland who will be arriving in St. Albert on Friday, July 11. The girls will be hosted by the Tamarac Area Guides. Festivities begin on Friday evening with a hot dog supper and campfire. On Saturday, the girls will attend a brunch at the United Church before leaving for Ninton and Jasper. They return to St. Albert on July 15 and will then be hosted by the Edmonton guides.

** ** *

It was a pleasure to have the Rev. Russell Gordon, father of Noel Gordon, Minister of Braeside Presbyterian Church drop into the office yesterday. Mr. Gordon, who is the minister at St. George's Presbyterian Church in London, Ontario, is here for a visit and will be joined by his wife Eleanor this evening. Dorcas Gordon,

Playground programs are currently getting underway and this group of youngsters was spotted down at Lions Park and really enjoying themselves playing "pretty please." Town playground supervisors are on duty at most playgrounds in the town.

who has been on a trip east to attend the Presbyterian Centennial conference in Hamilton, and to visit with relatives, will be flying to Penhold with the senior Mrs. Gordon and young Mark. Noel Gordon who is serving as a chaplain at the Penhold base for the month of July,

will come for a few days as well. Mr. Gordon Sr., is a delightful conversationalist with a lively sense of humour and we hope he and Mrs. Gordon will enjoy their stay.

Some of Canada's fittest kids at Robert Rundle School

THESE TWENTY-SEVEN kids from the Robert Rundle School have every reason to look proud - recently they received a top Canada Fitness Award after taking a strenuous course leading up to the award.

Accent on Akins

By Carolyn Seitz
This will be the last article to appear in the Gazette about the Lorne Akins year of '74/75. Already, due to various difficulties, it is late and may seem slightly out of tune with the season. However, I have taken time out of my busy schedule of sleeping and sunbathing to write an epilogue: one which, I hope, will not bring back too many unpleasant memories of work to those still around to read it.

My brain is finally regaining a tentative balance after the stresses placed on it during those last few weeks of school. The week of the 16th - 20th of June was a hard one for all concerned. No one smiled, the only laughter heard had suggestions of hysteria within it, and permanent worry-creases were etched on the brows of even the grade sevens. For that was the week of Reckoning-Judgement Day on a lesser scale. Tests, reports and assignments were showing on and off teachers' desks-numerous as the grains of sand which pile up to make mountains.

Most students had topped the mountain by Friday the 20th; but even as late as the 24th some still had a few more inches of tests to go. For us, the kids, Thursday was our Day of Rest, and a tantalizing taste of what was to be ours, come Friday afternoon. But for the teachers, Thursday was a new word in Slave Days, I, as a member of the narrated Yearbook staff, was there along with the eight or so other members as we tried to get the book finished and off the publishers. We of the Yearbook were quite cowed

by the deathly still and morbid silence which hung over the workroom as teachers struggled over report cards, trying to think up nice new ways to say what they had to and lessen the stacks of blue cards before them. We crept around like so many mice, and our nerves were so hot we didn't get anything done. Then, on Friday, students trooped back to school to pick up their final reports of the year and say goodbyes to their fellow students and the well-thumbed mentors who had governed their year. Needless to say, the Yearbook staff had to put in another day. In fact, we returned on Monday as well as Tuesday before we were finally able to say, mopping brows and sighing relief, "It's finished!"

Now that I've done my griping, I'll turn to the silver which lined the dark cloud of school's last few days. On the 13 and 14 of June the grade nine Prom activities were held. Friday the 13th, all our grade nine classes, undaunted by rain and the malevolent reputation of the date, headed to Lake Eden for a half day. Those brave enough went swimming. The rest played football, baseball, and just had fun. The only shadow over the day was the Lake Eden canteen not being open. Many a starved student tumbled off the bus on our return home at 6 p.m.

On Saturday night a formal home was held with all the grade nines and their parents attending. Each student received a certificate to "commemorate the Grade 9 year" as it was so tactfully worded. Each teacher was given "a

little something" from his or her homeroom class. A few speeches were made, some happy, some sad; one so much the latter that even notorious hardhearts shed tears. This was the beautiful Valedictory given by Jenanne O'Loughlin. It was a perfect hour with which to conclude our year - laughter and tears, with laughter more prominent and frequent. Later in the evening a dance for all grades was held. "Power Glide" was again our band. Personally, I think our Prom was the best dance of the year.

On June 25 an end-of-the-year activity was held on a more general scale. The first few periods of the morning were spent cleaning up lockers, and other matters accumulated over the year. The rest of the time before lunch was spent in the gym. It was awards time. Academic awards were received by the following students:

Of 7-1: Laurie Root, Shawna Thronson, Kevin Puffer and David Clark.

Of 7-2: Andrew Folkins, Kevin Sage and Allison Grosenick.

Of 7-3: Sandra Davis and Pat Foley.

Of 7-4: Cory Collingridge, Abby Wiersma and Angela Jones.

Of 8-1: Anne-Marie Barber

and Bonnie Cinnamon.

Of 8-2: Unnette Wiersma and John Bewesell.

Of 8-3: Steve Aldred

Of 8-4: Harold Brubaker and Nicky Killacky.

Of 9-1: Carolyn Seitz.

Of 9-2: Barbara Folkins.

Of 9-4: Jody Kosanovich.

Of 9-5: Sandra Millman.

Citizenship Awards were also presented. These were given only to grade nines as the teachers felt that they were better able to judge, after knowing the students three years, exactly how citizenship they were. Students receiving these awards were:

9-1: Kevin Beauchamp, Sheryl Brook, Joanne Ledgervood, Carolyn Seitz, Karen Williams.

9-2: Gina Carline, Barb Folkins, Terry Nickerson, Jenanne O'Loughlin.

9-3: Cheryl Gardiner, Marilyn Kelly.

9-4: Jody Kosanovich.

9-5: Kim Ficht, Dietmar Kuhlman, Chris Lang, Sandra Millman, Karen Stuart.

Athletic Awards were also given to the most outstanding students in that field. They were: Thora Eyford, Rod Kane, Sue Koch, Calvin Macauley and Ken Young.

Other awards, the Awards of Excellence (physical fitness) and those from various

clubs were also given out. The Students' Union indulged in a final extravaganza, buying a beautiful camera for the school. It, too, was presented on Wednesday.

After lunch, students returned to school for a "baseball tournament," as it was phrased. For a little while it looked like the weather was going to prove ornery, confining us within the empty walls and halls of the school for the rest of the afternoon. However the teachers again established their integrity and we all went out to brave wind and weather and win a few ball games. The rain retreated before our courageous front and even the sun snuck a peak or two. Some time between 2:30 and 3 we all trooped back to the school. Many goodbyes were then said to those who would not be present on Friday.

The school was cleared, the year unofficially over. I think we were all happy to again have summer holidays, but it was the bitterest happiness of the end of something good.

Then students had to endure the torture of the flexed arm hang keeping a bar level with their eyes for at least 54 seconds. The highest time reached was 82 seconds.

In the fifth event, the shuttle run, students had to lie face down at a given point, run 30 feet, pick up a

bean bag, make a return run and repeat the exercise till they had ran 120 feet. Some of the boys did this in 11 seconds.

The final test for the youngsters was a 300 yard run done in 50 yard sections - and the best boys did this in 60 seconds.

This means that they have four minute mile capacity if they don't let their fitness slip.

Following are the names of those who won the awards of excellence.

GRADE TWO
Melody Spence, Mary Dale Stanley.

GRADE THREE
Terry Spencer, Derek Bush, Shelley Ward, Jimmy MacLean, Heidi Lotocki, Kenni Lynn Stutz, Margaretha Burnett, Kirsten Madsen.

GRADE FOUR
Jenny Bourrassa, Lori Heron, Lori Starka, Stephen Gauli, Barbara Beckwith, Sheila Dick, Katy Evans, Barrie Harrison, Steven Morris, Karen Wilkinson.

GRADE FIVE
Susan Dick, Jill Munro, Susan Griffith, Jodi Sneddon, Sheri Lotocki, Gwen Bauer, Todd Spender.

BIRTH ANNOUNCEMENT
Doug and Christel McConachie are happy to announce the birth of a daughter, Megan Alanna, June 29. A special thanks to Dr. Larry Read, Dr. Harvey Albrecht and the Sturgeon General nursing staff.

MARRIAGE ANNOUNCEMENT
Mr. and Mrs. Bill Zahara of Grandin Park announced the forthcoming marriage of their daughter Cheryl Diane to Larry Couture. Wedding to take place August 31 at 3 p.m. Kirk United Church, 13535 Street and 122 Avenue, Edmonton.

Open All Day Saturday

Witness Convention to be held July 24 to 27 in Calgary

A four day district convention of Jehovah's Witnesses in Calgary, July 24 to 27, will stress Divine solutions to human problems.

The meeting, expected to attract 12,000 delegates, will be held in the grandstand, Stampede Park at Calgary. The theme: "Divine Sovereignty."

Con Beauchamp, presiding minister of the St. Albert congregation, said about 36 delegates will represent this area at the sessions.

Mr. Beauchamp discussed the import of the program and stressed the human need of lasting peace and security.

"In recent decades," he said, "more and more talk

has centered on the need for a world government of some kind. The problems affecting the human family are principally the same in all nations and yet solution to these problems has eluded us.

"The lack of trust among the leadership of nations is apparent," Mr. Beauchamp said. "For example, consider one result of this distrust. Though they see how unwise it is, nations nearly ruin their economies to spend billions of dollars on armaments that they hope they will never have to use.

"And yet," he said, "in view of the repeated breaking of peace treaties, nations can see no reason to trust one

another, and hence, believe that there is no alternative to such arms races."

Commenting on the overall problem Mr. Beauchamp said that the basic factor in the inability of men to solve global problems is human selfishness.

Citing the key problems: armaments development and stockpiling, pollution, projected famine due to the worldwide population explosion and economic crisis with inflation, Mr. Beauchamp said they have become a matter of grave concern.

The effect of selfishness, he said, produces such problems to man. "It is not only prevalent in organizations and nations," he continued, "but exists in the very roots of human society."

Mr. Beauchamp emphasized that no one should get the idea that the earth itself is responsible for man's problems -- that it is, for example, incapable of growing enough food for everyone.

Citing a report by the United Nations Food and

Agricultural Organization, Mr. Beauchamp pointed out that the earth is capable of feeding many times as many people as now live in the world.

"Humans," he said, "have been mismanaging earth's food production, as well as the distribution of that food.

"And too," he continued, "the energy crisis of the past two years has eliminated many prior demands to clean up our polluted air, water and soil. Thus, due to expediency, man is trying to delay reforms urgently needed to sustain human life in the future."

Mr. Beauchamp stressed that global problems are too difficult for man to cope with. "That does not mean the situation is hopeless," he concluded. "Although many people refuse to accept Divine intervention in human affairs as possible, nevertheless, it is true.

"God's purpose is to bless humankind with a righteous world government that will

unite all peoples on earth. Jesus Christ devoted his ministry on earth to telling people about this government. He urged his disciples to pray for it, saying, 'Thy Kingdom come. Thy will be done in earth, as it is in heaven.'"

Mr. Beauchamp said God's kingdom will come in a shocking way to most people of the earth. It will bring an end to all unrighteousness, he said.

"But the literal earth will survive that judgement and God will preserve righteous men to fulfill his grand purpose for our earth," he said.

Mr. Beauchamp said the convention program would be devoted to a full explanation of man's problem - human survival - and explain in detail how it will be achieved.

He said the public is invited. All seats are free and no collection is taken. The program will feature four Bible dramas, lectures and general discussion periods.

Zone 5 Summer Games Tennis Trials held in St. Albert

The Albert Summer Games tennis trials for Zone 5 took place at the Mission Courts in St. Albert on Sunday, June 29 and Tuesday, July 1.

In the adult section competitors were in attendance from Jasper, Hinton, Edson, Fort Saskatchewan and St. Albert. After the round robin competition was completed the following people had won a position in the Open Category: Cynthia Sage, Judy Wood, Roman Mureika, Clark Warren, all of St. Albert. Loretta Reid of Fort Saskatchewan and George Deitiker of Jasper. Betty Ontkane and Dave Kirk of St. Albert will represent the zone in the Junior Veterans Category.

The junior competition was started on Sunday morning and completed on Tuesday with all participants being from St. Albert. The girls team is made up of Valerie Green, Cassie Kemp and Cindy Smith with Steve Kirk, Philip Kemp and Bill Osborne representing the boys.

Congratulations to all those on the team -- the zone (and St. Albert) will be well represented at Red Deer, August 29 to September 1.

A total of 31 participated in the zone trials, a considerable increase over last year. As mentioned, all junior competitors are from St. Albert and although some of

Phil Kemp (left), Cynthia Sage, Loretta Reid (Fort Saskatchewan), and Betty Ontkane are four tennis enthusiasts who have won berths in the Zone 5 tennis trials held June 29 and July 1. Phil will be representing Zone 5 in the Boys category while Loretta and Cynthia will be in the open category at the Alberta Summer Games. Betty will be competing in the Junior Veteran's category.

St. Albert Minor Football to start in August

St. Albert Minor Football will get underway in the town in August although specific dates have yet to be finalized.

There'll be at least six regular league games in the season with playoffs and a tourney with Sherwood Park.

A spokesman for the Association said Monday that more specific details will be announced as the season progresses but each team can expect to practise in their own area on a designated field with a game each week.

There will be four teams and each one will consist of 20 players and play eight man football. Priority of the roster will be given to those boys from their team's own boundaries.

Once boys are registered in the league and begin

practicing, they are urged to be faithful in their game attendance.

The four teams will consist of 10 - 13 year olds and they will play under slightly modified Canadian Football League rules on regulation fields.

Teams and sponsors are: Grandin Park - Willowbrook Homes, Mission - Lacombe, Jim Chisholm's Lacombe Park Red Roosters, Forest Lawn-Brasidre, Carma Developers, Sturgeon-Akinsdale, Standard General.

Couches, referees or willing parents, are asked to contact Barry Suggitt at 35 Livingstone Crescent, phone 458-2728, or they can attend the meeting at the Percy Page Recreation Centre Room 225, July 16.

the younger participants didn't make the team this year, they are to be commended for taking part and will be threats in future years.

Professional coaching on public courts-a 1st for St. Albert

With the co-operation of the St. Albert Parks and Recreation Department an interesting experiment will begin next week when professional tennis coach Edwin Barclay will offer top-notch coaching on public courts, for the first time in Alberta.

"At present," said Mr. Barclay, "the best coaching is offered only at private clubs in Alberta, a practice which can by no means develop all of the talent potential among our youngsters."

Mr. Barclay was taught to play tennis in Australia by Victor Edwards (the coach of Evonne Goolagong) and was

selected for special coaching by Victor Edwards with other promising juniors.

In 1969 he won the Woolongong District singles, doubles and mixed championship of champions in N.S.W. Australia, and in 1970 he won the New South Wales County Singles and Doubles titles.

Ed also has considerable coaching experience, having coached in partnership with John Burnett in Woolongong area for 15 years. He was junior development chairman in the South Coast area of N.S.W. with over 1,000 juniors in the program.

After coming to Alberta in

1970 he was the Red Deer Tennis Club coach from 1971-74 and he is presently the president of the Alberta Lawn Tennis Association.

A school teacher for 12 years, Mr. Barclay completed his B.Ed. at the U of A and will begin teaching at Morinville this fall.

Tennis instruction from Mr. Barclay will be given in groups or private lessons in sessions of four 1½ hour lessons. (See ad in this issue for details). He will pay the Parks and Rec Department for court time, and will be instructing for four to six weeks. Players must have

their own racquets and runners.

The City of Calgary came to the Alberta Lawn Tennis Association for advice, Mr. Barclay noted, as they found that their Parks and Recreation Department couldn't handle the instruction. It was suggested that one professional coach for each tennis centre would be needed, and that courts be built in not less than eight per centre. In St. Albert he felt four-court centres would be appropriate.

Mr. Barclay feels that four steps are needed to develop the sport of tennis across

Canada. First provide better coaching on public courts, develop junior tennis leagues similar to hockey leagues, thirdly work to include a broad base of junior talent as children should have a goal to aim at, and fourthly develop an elite group of top notch players.

Canada now has a natural progression, he noted, from club champion to city, to prairies regions and on to Canadian champion. We have free coaching for the top 18 players coming through this progression for 10 days in June by the national tennis coach, and these young people are taken on a U.S. tour through the Rothmans Grande Prix, started last year. At present Mr. Barclay said, the Canadian Lawn Tennis Association is going for a certification program for coaches, with assistance of an O'Keefe Sports Foundation Grant. Ontario and B.C. already have such certification he added, and in Alberta the Alberta Tennis Coaches Association has just been formed.

TENNIS COACH
EDWIN BARCLAY

What is needed, he concluded, is for expertise in the game to filter down.

And that's what Mr. Barclay and the Parks and Recreation Department hope to see happen in St. Albert with the introduction of professional coaching on public courts for the first time.

Hercules sudden death softball finals

The girls softball teams of the Hercules Association had their sudden death finals on June 24 with the Super Sluggers defeating the Blue Bombers by a score of 20 to 16 for the "A" division championship.

Proud owners of the trophy are Wendy Kowalchuk, Shirley Evanyew, Wendy Payment, Renee Kowalchuk, Adele Ouellette, Cathy Lavoy, Janet Ewen, Marie Stuart, Heather Lavoy, Vera Simard, Donna Lavoy, Dawn Cooper, Karen Bosch, Pam Halverson and Joanne Hamman. Coaches are Don and Anne Lavoy.

Winners of the "B" division are the Wipe Outs, against the Champs by a score of 21-11. The team is made up of Cathy Hanson, Pam Kerslake, Denise Magosse, Heather Ladrette, Sandy Zolinsky, Christine Hennessey, Diane Taschuk, Shannon Perkins, Karen May, Leah Granlich, Cindy Schneider, Pat Pickle, Shannon

These fine summer evenings you can get out and watch Hercules Girls Softball action in St. Albert - if you're not directly connected with the action like these girls.

Finch, Jennifer Hunt and Christine Fry. Coaches are

Joan Perkins and Chiyoko May.

Midget baseball in St. Albert

For the first time, St. Albert will have a midget baseball team in town to finish off the rest of the baseball season.

The coach of the team, Les Long of Edmonton, who has 20 years of baseball coaching behind him both in this province and British Columbia, says the first game should get underway Thursday night and there may also be a doubleheader next Sunday. As yet, there may be some delay in deciding which outfit will provide the opposition for the St. Albert Midgets. The team might come from Edmonton.

Mr. Long had hoped that the Midgets would have had their games in Edmonton, but a recent ruling of the City's northeast zone baseball authority excluded this as three team members were imports from St. Albert.

The zone rule, the no-imports ruling May 8.

However it seems that Edmonton's loss is St. Albert's gain with a diamond for the Midgets readily available.

"I might just stay out here (with the team)" commented Mr. Long.

The full name of the team

is the St. Albert Killarney Midgets and there are 15 youngsters ages 15-16 on Mr. Long's roster.

Calahoo Fastball Tournament

SATURDAY, JULY 19th

Stony Plain Kings vs Alberta Oil Tool - 12 noon
Stony Plain Playboys vs O.K. Const. - 12 noon
Calahoo Chiefs vs. High Park - 2 p.m., Spruce Grove K.C.'s vs West End, 2 p.m., St. Albert A's vs Evansburg, 4

p.m., Calahoo Stars vs Ferguson Supply - 4 p.m., Spruce Grove Panthers vs Majestic Eagles - 6 p.m., MacGregor Mohawks vs Winterburn - 6 p.m.

Semi-finals Sunday morning, Dance in Arena Saturday night.

St. Albert wins tennis championship

Fifteen year old Steven Kirk of St. Albert took first place in the under 14 boys singles category of the City of Edmonton Tennis Tournament held last week.

Steven defeated Bill Black 6-2, 6-2 in the final which took place on July 4.

The tournament included entries from the Edmonton Metropolitan area and en-

tries were received from other centres including Red Deer. Over 100 players participated.

Steven Kirk has been playing tennis for about five years and was the only entry from St. Albert who placed highly in the competition. Several players from St. Albert participated.

ST. ALBERT RECREATION REPORT

ST. ALBERT TENNIS CLUB

On Sunday, June 22, 20 club members enjoyed an afternoon of "fun" tennis when the St. Albert Tennis Club held its first novelty doubles of the season. Barb Chan was top lady and Lorne Wood had the highest score of the men. The next novelty doubles is planned for Wednesday, July 16 at 6:30 p.m. Club members, please mark this date on your calendar and plan to attend.

PLAYGROUND PROGRAM

If you're of elementary school age and don't know what to do, the playground programs are now operating at the five rinks around town. Every Friday there will be a special event which will be held on the playground or at Lions Park. Announcements of activities are posted at every playground.

PROVINCIAL MUSEUM

The Provincial Museum is continuing its offering of free

historic craft demonstrations every afternoon from 1:30 - 3:30 p.m. Sunday evenings feature outdoor band concerts and performances. For further information contact Olga Melnychuk at 452-2150, Ext. 269.

JOGGING

Those of you who enjoy the early morning hours can now also tune up your bodies by joining the **Early Bird Jogging Club**. Each morning joggers meet at 6:45 a.m. at the Grosvenor Pool and walk or jog a short circuit in the surrounding area. After the exercise, the group takes a swim in the pool. Total cost of the program is just admission to the pool. If you're interested phone the Town Hall or 459-7603 after six.

TEEN PROGRAM

Teens can go camping at Pigeon Lake Provincial Park on July 10 and 11. Interested teens should meet at Lions Park at 10 a.m. on July 10. They will be returning at 5

p.m. on July 11. Cost is \$5.00.

Activities are also scheduled for the beginning of next week. Check on the bulletin board at Grandin Shopping Centre or phone the Town Hall at 459-6601 for further information.

CANOE CAMPING PROGRAMS

Boys and girls 14 to 17 years of age can take an intensive 10 day canoe camping course offered through the Division of Continuing Education at NAIT. This course includes an introduction to white water paddling techniques, a five day canoe trip from Rocky Mountain House to Edmonton and the techniques of modern backpacking equipment, tents, stoves and foods, etc.

FEE - \$20.00 (students must provide their own food, bedding and other supplies). **DATES:** Session 1 - July 7 to July 17; Session 2 - July 21 to July 31; Session 3 - August 4 to August 14; Session 4 - August 17 to August 27. **CLASS CAPACITY:** 20 students per group.

For further information or registration forms, contact the Town Hall, Parks and Recreation Office.

ALBERTA SUMMER GAMES

The following are con-

firmed Zone 5 Playoffs for the Alberta Summer Games:

LADIES GOLF

Fort Saskatchewan Golf Club - July 19, Tee off Time: 9 a.m. Green Fees \$2.00. Deadline for club competition - July 6, 1975.

CANOEING

Stony Plain - Chickakoo Lake - July 19 and 20. Contact: Jim Andrews - 465-7464.

SKEET SHOOTING

Edmonton Gun Club - July 12 and 13. Contact: Ken Giblin 487-3566.

MEN'S GOLF

Tentative date for playoff is July 19. Deadline for club competition is July 6. Contact Jim Atmore 998-3209.

RUGBY

Persons interested in playing Rugby on the team representing Zone 5 at Red Deer in the Alberta Summer Games should contact John Popko at 342-4454.

GROSVENOR SWIMMING POOL

July 14, 9 - 10:30 p.m. - Learn about your Pool.

Clinics aimed at those who have always wondered how a pool operates, how it is cleaned, what chemicals are used etc. Everything you wanted to know about the pool but were afraid to ask. Open to anyone 13 years of age and older.

August 3 - Skin Diving Clinic. Participants who will have at least Junior level swimming ability, will learn about skin diving equipment, safety, ditch and recover, snorkel and mask cleaning techniques, entries and skin diving games and activities. Equipment must be approved by one of the pool staff before it is allowed into the pool.

August 10 - Springboard Diving Clinic. Learn the basics including the progressions for both back and front dives, how to use the diving board etc. We have established beginners level as a pre-requisite.

August 17 - Anyone who is at the Intermediate or better swimming level is most welcome to attend the Synchronized Swimming Clinic. The basics of synchronized swimming including sculling, body positions and elementary figures will be taught.

August 24 - Water Polo Clinic for those at the least Junior level will be conducted. Different shoots, positional play, strategies and associated skills will be taught to all of those in

attendance.

Registrations are still being accepted for Sessions 111, IV and V for those who wish swimming instruction. The only class which is full is pre-beginners for the rest of the summer. Schedules are available from the Town Hall or Grosvenor Swimming Pool.

Grosvenor Swimming Pool hours are listed below, schedules can be picked up at the Pool or the Parks and Recreation Office.

Public Swim Times are 7 - 8 a.m. Monday to Friday; 1 - 5 and 7 - 9 p.m., Sunday to Saturday.

Teen Swim - Monday, Wednesday, Friday and Saturday, 9 - 10:30 p.m.

Family Swim - Sunday - 10 a.m. - 12 noon; 5 - 7 p.m. Tuesday, 6 - 7 p.m. Thursday, 6 - 7 p.m.

Adult Swim - Tuesday, 9 - 11 p.m., Thursday 9 - 11 p.m.

Children - Saturday 9 - 11 a.m.

TENNIS COURTS

A reservation system is in effect for the Mission and Sunset Tennis courts, tags can be picked up at the Parks and Recreation office or from one of the tennis supervisors on duty at the courts.

Please note the separate advertisement outlining tennis lessons for July and August.

AROUND TOWN

The Youth Employment Service is now in full swing in St. Albert. There would be approximately 200 St. Albert students registered and an-

xious to do that job you just can't seem to get done. So, if you're interested or just curious give her a call at 459-6601, extension 69, 8:30 to 12:30 weekdays.

TOWN OF ST. ALBERT

PARKS AND RECREATION DEPARTMENT

TENNIS INSTRUCTION JULY - AUGUST

Mr. Edwin Barclay, one of Alberta's leading professional tennis coaches will be providing lessons during July and August.

Each session, which consists of four, one and one-half hour lessons will be provided at various times during the week to adults and juniors.

A maximum of eight adults will be set for adult beginners, intermediate and advanced classes at a cost of \$10.00 for four lessons.

In the junior classes (9 - 18 years) a maximum will be set at 12 per group at a cost of \$6.50 for four lessons.

PRIVATE LESSONS are also available and should be booked through the Town Hall at 459-6601. Times are flexible and cost is \$12.00/hour.

ACTIVITY DAY will be held on Friday of each week at Mission Courts. Friday morning from 9 a.m. - 12 noon will be for juniors only. Friday afternoon from 1 p.m. - 4 p.m., will be for adults only. Round Robin and Ladder tournaments will be arranged. Check at the courts on Fridays with Mr. Barclay for further information.

Reeve Flynn optimistic about MD and Viscount Estates

Reeve of the MD of Sturgeon Bill Flynn is optimistic about the future of its relationship with residents of Viscount Estates.

A meeting was held June 26 with 30 residents from the hamlet which is just to the east of St. Albert near the golf course, to discuss ways and means of pumping back half the municipal revenue taken from the hamlet for better servicing of roads, garbage and other needs.

There was almost a full turnout from the MD council at the meeting but a representative for Viscount Estates residents Tom Lauder said June 27 some hamlet residents had been away on holiday at the time of the meeting. Also the hamlet is still expanding with some houses still under construction.

There are 50 houses expected to be fully occupied shortly at Viscount Estates giving a possible population of 125-150 people.

The main hassle is not whether the community has hamlet status, rather says Mr. Lauder, "We expect to get some services for the

dollars we pay," which he claimed were double what people might pay in Edmonton.

He said that people at Viscount had moved away from the City to get away from the city but "none of us moved to get cheap living."

He said that residents felt that they were not being reasonably treated and that the tax dollars being paid by all the people were not being put back into the hamlet in the same proportion as they were being taken out.

"We want some voice in what is done and one of the prime concerns is road conditions."

However Mr. Lauder was quick to point out that the meeting between the group and the MD had been beneficial and an equitable solution could be reached. He added that this was the first time the MD and Viscount Estates had sat down and reasoned about the hamlet's complaints.

He said Councillors Kluthe Crozier and the Reeve of the MD Bill Flynn had been most co-operative as problems about road maintenance and

the handling of finances were discussed.

Mr. Lauder said that in the past residents were continually requesting graders or snowplows to come in (and alleviate road conditions), there were heavy taxes and

no garbage pickup or services.

However everyone seems to have come away from the Sturgeon Valley Community League Hall, where the meeting was held, with the feeling that a newly formed committee of Viscount Es-

tates residents and the MD will get down to business and formulate methods where the hamlet can get services proportionate to the tax dollar outflow from the community.

Reeve Flynn commented that the meeting was "very good" and the hamlet's request to have more say about how its money is spent has been positively taken up by the MD.

Gymkhana results

By Marg Bentz

Gymkhana events as won by members of the Nameo Gymkhana Club in the two day show gymkhana during Frontier Daze are:

High Point 1st - Margaret Forest (53 pts.) won \$75 gift certificate; High Point 2nd - Vance Johnner (51 pts.) won \$50 gift certificate; High Point 3rd - JoAnn Gaumont (31 pts.) won \$25 gift certificate. The gift certificates were donated by Welsh's Saddlery and Western Wear of 10315 - 101 Street, Edmonton.

Individual events at the two day affair went to the following:

FLAGS

Adult - 1. Vance Johnner; 2. JoAnn Gaumont; 3. Barry Sturrock. 15 and Under Three Legged Sack Race - 1. Bernadette Huber and Marie Huber; 2. Rosalie Huber and Kimberly Manning; 3. Margaret Forest and Corie Stanton.

THE CANADIAN ASSOCIATION of rescue emergency service got the chance to look after the public at Morinville's Frontier Daze recently. Here, Nigel Mansfield, who was representing Mayor Snip Loblick, pretends to be ill and is capably looked after by Florence Vranas (left) and John Byers, captain of the emergency service.

MD strikes 1975 mill rate

The MD of Sturgeon struck its 1975 mill rate June 19. Bylaw #231/75, which gives the authority for the several rates of taxation to be imposed for all purposes, received third and final reading at the reconvened council meeting held June 19.

Total requirements of the MD of Sturgeon for 1975 are as follows:

A) MUNICIPAL	\$1,090,934.51
B) SCHOOL	
a) Foundation Program Fund	337,903.00
b) Sturgeon School Division No. 24	440,543.92
c) Thibault S.D. No. 35	8,898.25
d) Legal School District No. 1738	28,416.96
e) Electric Power and Pipeline	101,332.47
C) HOSPITALS	
i) Fort Sask. General Hospital No. 98	355.18
ii) Sturgeon General Hospital No. 100	2,143.77
iii) Power and Pipeline	517.44
D) STURGEON HOME FOR AGED (LEGAL)	3,700.50
E) OTHERS	
a) Manawan Drainage District	12,568.37
b) Alberta Planning Fund, Prov. Treas.	5,871.45
c)	
d) Recreation - Regional	50,273.48
- Capital	25,136.74

TOTAL MILL RATE FOR THE VARIOUS AREAS:

A) Sturgeon General Hospital No. 100	
1. Sturgeon School Division No. 24	98.00 mills
2. Thibault School Division No. 35	99.50 mills
3. Legal School District No. 1738	91.00 mills
4. Electric Power and Pipelines	98.00 mills
B) Fort Saskatchewan General Hospital No. 98	98.00 mills

The levy for municipal purposes is 43.40 mills. The Sturgeon School Division mill rate is down one mill from last year's figure of 99 mills. Thibault is up .50 of a mill, the Legal School District is down three mills from last year and the mill rate for electric power and pipelines is down one from last year.

Mill rate for the Fort Saskatchewan General Hospital is down .50 of a mill from 1974.

\$360,000 seed cleaning plant slated for Morinville

Morinville could be looking at a new \$360,000 seed cleaning plant within the next year to take over from the present facility which is the oldest in Alberta.

Two hundred thousand dollars worth of grants are available to the Morinville Municipal Seed Cleaning Plant from both the Department of Agriculture and the MD of Sturgeon. The Seed Cleaning Plant Board can kick in \$160,000 worth of

equity in the venture which could get off the ground six months from now. There are hopes that the old facility which holds records for seed cleaning in this province will be purchased by the Alberta Wheat Pool adding more to the fund for the new plant.

Sturgeon Erectors have won a \$288,000 contract for the new plant subject to revision. This contract bid was preferred to an original contract from Harsim Con-

struction Ltd., for \$493,200.

Use of the old plant will continue till the new one is ready.

There are hopes to add an extra 6,000 bushels grain storage capacity in the new plant which will bring it to a par with plants at Three Hills and Nanton, but the basic capacity of the plant will be the same. The same amount of grain will be cleaned in two shifts as opposed to a three shift operation.

A price tag of \$60,000 might be added to construction costs for scales and spouting. While the new plant will not be able to clean much more grain than the present one, there will be facilities for loading and unloading at once. New scales will be able to take up to 40 tons and if it can be financed new hopper bends could be put in at the plant.

A definite site for the new plant has yet to be fixed, but

if the present building cannot be sold, then a new site will not be looked for.

Under a government agreement the MD of Sturgeon will be custodians of finances for the plant while the Seed Cleaning Plant Board must establish a sinking fund acceptable to the MD to put away in reserve.

If the plant is not built then the Seed Cleaning Plant will be in debt to the Government and the MD at a rate one per cent over prime.

There are 75 seed cleaning plants in the province. Some

of them are already talking of going bigger but the Government is reported to be leary over the costs.

According to the Morinville Seed Cleaning Plant president Alan McDonnell the plant has already shown itself capable of cleaning the most grain in Alberta in a given season.

At its regular development meeting June 26, the MD approved the bylaw for assisting the plant financially when the bylaw was given its third reading after a short delay.

Regional sewage facilities coming to a head

At the next regular meeting of the MD of Sturgeon, June 10 the MD will be expecting to have a reply from the Town of St. Albert on sewage facilities on a regional basis - including a tie-in for Morinville.

At a recent joint meeting between St. Albert and the MD, Reeve of the MD Bill Flynn commented favourably

on the sewage facilities so far erected and Mayor Dick Plain assured the MD that any work still to be done would be carried out.

At the joint meeting emphasis was placed by the MD on the regionality of the sewage facilities and the meeting examined the submission presented to the MD at a public meeting July 5,

1973 for the sewer transmission line and sewage treatment facilities.

The MD has pointed out to St. Albert that it will shut down that town's facilities (sewage treatment) if it does not live up to its commitments as agreed by the former St. Albert town council.

Reeve Flynn made it clear that he feels the regional concept has failed at this point. At this joint meeting Mayor Plain stated that he did not have the documents for the development (of the sewer line) at his disposal.

It was at this point that a suggestion was made that the meeting should be adjourned till a later date to give the new St. Albert council time to review files and studies made at the time of the application for a sewage treatment or trans-

mission sewage line permit.

Mayor Plain asked that one month be given (till July 17) for consultants to finalize the sewage line study.

However Councillor Lawrence Kluthe suggested that the MD send a letter to St. Albert requesting the town to allow Morinville the hook-up agreement prior to July 17.

It looks as if St. Albert will do all it can to have the reply sent to the MD by July 10, about the town's position on the development permit issued August 27, 1973.

That permit which was issued indicated that the treatment plant could have a capacity for 105,000 people, the sewer line for 50,000. The transmission would have to be twinned to meet the 105,000 population level. Then the treatment facilities could be enlarged to accommodate additional population over 105,000.

Canadian Bechtel plant likely near St. Albert

Canadian Bechtel has applied to the MD of Sturgeon to locate a 70 acre pipe welding plant immediately east of St. Albert.

Reeve of the MD Bill Flynn says that the MD are strongly in favour of the plant which will employ 450 people.

A number of problems have to be ironed out before the plant can locate.

Recently an appeal by a group of Edmonton citizens quashed the plant on a site

where it would have been in conflict with residential development.

July 2 the issue will come up for airing at an Edmonton Regional Planning Board hearing. Before the company can locate at the proposed site the land will have to be rezoned from low density agricultural to industrial.

Representatives of Canadian Bechtel attended the regular development meeting of the MD June 26 in support of their application.

STURGEON HEALTH UNIT

The STURGEON HEALTH UNIT will offer checks of hearing, vision, speech and general development to four year olds. Clinics will be held in July and August in Morinville and children will be seen by appointment only. PHONE: 459-6671.

MORINVILLE MEMOS

By Marg Bentz
The Morinville Frontier Daze Association wishes to thank all those people who helped make this fair such a success. The workload is

enormous and without hundreds of hands helping, it would be impossible to put on an event this size on a volunteer basis. Special thanks is extended to our

teen-agers and pre-teens who helped in nearly every area, from painting, repairing and cleaning buildings to moving tables and setting up tents and stands. These

youngsters were extremely valuable to Frontier Daze '75 and we could not have managed without them.

The Morinville Lions Figure Skating Club will be

holding a power skating program from September 9 to October 16. There will be a charge of \$6 per child. This will include two lesson days a week plus practice time. Registration will be August 7, 1975 at the area from 7 p.m. - 9 p.m. If anyone is interested and will be away on holidays at that time please phone Mrs. Denise Houle at 939-4231.

A Youth Employment Service office has just recently opened in Morinville. The coordinator is Rene Beland. Rene urges all those townspeople and farmers needing help this summer to visit him at the Sturgeon Regional Recreation Office or to phone 1-939-4317 or 1-939-4318. He'll be awaiting your calls from 9 - 12 and 1 - 4 weekdays.

JUST LIKE the old days, Mayor Dick Plain and wife took in the Frontier Daze Breakfast at Morinville recently.

FIELD SUPERVISOR WANTED

Applications will be received until July 18, 1975 for the position of Field Supervisor. Swathing and Forage harvesting experience an asset.

Legal Locals

By Lucienne Montpetit
Sincere condolences to the bereaved families who lost someone dear to them in the past weeks. Mr. and Mrs. Leo Charrois, daughter Sylvia; Mr. and Mrs. Fernand de Champlain, son Paul; Mr. and Mrs. Leon Brisson, daughter Michelle; Mr. and Mrs. Zenon Kozak, son Randy; Mrs. Noel Tielie, brother Alphonse Caouette, Edmonton; Mrs. Lang, son-in-law John Maclean, Edmonton; Mr. Leonard Forcade, his mother Mrs. Alma Forcade; Sister Aurore Blanchette, her sister-in-law, Mrs. Blanchette from St. Paul, John and Steve Zilinski, their father Nick Zilinski from Edmonton.

Display your creative talents at the arts and crafts display during Fete au Village, July 26 and 27. Sewing, crocheting, knitting, woodwork, models, paintings, crafts etc., etc. Contact Sharon Veitch for information 961-2399.

Don and Sharon Rempel won an all expense paid trip to San Francisco. Don is manager of Avco Finance in St. Albert. Don and Sharon live in the Avco office in St. Albert four

years ago and really worked hard to bring it up to what won him this trip as Top Manager in the Western Region. Have a wonderful holiday!

Mr. and Mrs. Louis Joseph Maillet from Cheticamp Cape Breton were visiting with Mrs. Elizabeth Houle and Mr. and Mrs. Joseph Naull. When the couple married 25 years they said they would like to visit their relatives in Alberta on their silver anniversary, their dream came true and they enjoyed the Alberta scenery.

Kathryn Zilinski and Ron Miskew were feted at a mixed shower on July 5 at the Legal Community Hall. A purse was presented to them on behalf of everyone there. Kathryn and Ron will exchange marriage vows on August 2.

Children! Children come one, come all to the playgrounds. The playground is open Monday to Friday from 10 a.m. to 4 p.m. The supervisors have interesting programs planned for you. Children under six should be accompanied by a parent or older brother or sister.

Qui Barre Cabaret

Friday, July 25 is a date to mark on your calendar. At the Riviere Qui Barre Cabaret by the Recreation Society is always an event to look forward to, and this year the Society is making a day of it, with a horseshoe tournament at 11 o'clock, doubles and singles, followed by a family picnic in the afternoon.

The district has some horseshoe wizards and the tournament will be fun for both participants and spectators. Tickets for the cabaret are available at \$8 per couple from Bren's Store or telephone 939-2060 or 459-3121.

Large crowd of mourners attends joint services for young accident victims

By Lucienne Montpetit

The people of Legal and district were deeply saddened on June 29 by the tragic death of four young people of our community.

A joint funeral mass of the Resurrection was concelebrated by Mgr. Raymond Roy, Father Bissonnette, Fr. Primeau, Fr. Croteau, Fr. Jacob and Fr. Morissette for Paul de Champlain, Sylvia Charrois, Michelle Brisson and Randy Kozak before some 1,100 mourners including many of the deceased young people's friends, classmates and relatives, at St. Emile's Church, Thursday, July 3.

The K of C Fourth Degree Members made the Guard of Honour.

The scriptures were read by Mr. Pouliot, uncle of the deceased (Sylvia).

Father Claude de Champlain from Plamondon, uncle of the deceased (Paul) celebrated mass on July 2 at 7:30 p.m. He also gave a very touching and consoling homily.

car driven by Jeffrey Cumbleton, 19 of Rochester. Also riding in Paul's car was Lori Ann Johnson from Edmonton, who also died in the mishap, and Daniel Mahe who remains in serious condition in the Royal Alexandra Hospital.

RANDY KOZAK
LEGAL

Interment was in the church cemetery and following the services lunch was served at the community hall by volunteer ladies of the parish.

Paul is survived by his parents Fernand and Cora, brothers Raymond, Donald, Yvon, sisters Jocelyne, Lucille and Dorice.

Sylvia is survived by her parents Leo and Isabelle, brothers, Henri, Guy, Gerard, Laurier, Richard, and sister Louise.

Michelle is survived by her parents Leon and Doreen, brother Roger and sisters Gisele and Denise.

Randy is survived by his parents Zenon and Joyce, brother Bruce and sister Dawna.

These four young people were active and promising citizens.

Paul at 19 years was a true sportsman, he played hockey with the Barrhead team and ball with the Legal club. He graduated last October and was farming with his father.

Sylvia was 17 years of age and graduated last October. She was on the year book committee and enjoyed sports. Sylvia was employed by Economical Mutual Life Insurance Co., in Edmonton. She and Paul had been going out steady for quite some time.

Michelle was going to take her grade 12 in September. She was 17 years old and employed on the STEP program for the Village of Legal. Michelle was very good in all sports at school. Michelle and Daniel Mahe were going out steady together.

Randy was 17 years old and moved to Legal a few years ago when his parents purchased Mrs. Herve Regimbald's farm. Prior to the

Paul de Champlain of Vimy attended Legal High from grade 9 and graduated last year.

end of the school term Randy was elected president of the Student's Union for the coming year. He was also sports-minded and was the drummer in the local band PRAD that had played at the dance in Vimy on June 28.

Lori Ann Johnson, 15 years old was well known in the community by the young people. She often came to spend weekends with her cousin Rachel Nault. She attended most of the school dances in Legal and enjoyed being with the young people of our community.

They were all well liked and respected by their classmates, teachers and associates. They all had many good friends and they will all be sadly missed in the community.

SYLVIA CHARROIS
LEGAL

Legal students tour Peace River district

By Melanie Klassen

On the morning of June 6 the grade seven class of Legal left on a four day field trip to the Peace River district. At 12:00 we ate our lunches made by our parents. We arrived in Girouxville at 3:00. The class was billeted with various families overnight. We had a very pleasant stay and they packed a delicious lunch to take with us.

The next morning our destination was the Bennett Dam. We arrived there at 2 p.m. The tour of the dam was very impressive and the interior of the control room resembled the inside of a space ship. Previous to our tour a film was shown to us. It described the dam and when it was opened. Our supper at a campsite not far from the dam, consisted of chuckwagon dinner, bread, and grape kool-aid. Mr. Tremblay had planned for us to stay at a certain campsite, however we had some difficulty in finding one that was open and not full. After

driving around half the night looking for a campsite there was one open and we pitched out tents.

The next morning our breakfast consisted of boiled eggs made by Mr. Champagne who proved to be a very able and fast short-order cook, with the assistance of Mrs. Kremer, who made the toast. For our morning exercise we walked across the suspension bridge nearby. From there we headed for Falher where we again stayed with families for the evening. The next day the class went to the church service in Falher. After the church service we boarded the bus and headed back to Girouxville. There we visited the museum and honey factory. The museum was very interesting. Our guide showed us one of the very first skidoo's. It weighed 1200 pounds, was 12 feet long and went 15 miles per hour. There was a 1918 car. There were stuffed animals and antiques. On display was a life size interior of a

trapper's cabin. Also on display were arrowheads and old camera's and shoe-maker's tools. It was very educational and interesting.

Next we toured the local honey factory. Inside was a transparent beehive. Inside it was the Queen bee and her workers and drones. We were shown where the honey was stored and how it was processed. We also saw what a honey rack looks like after a bear gets through with it.

When we got back to Legal that evening we sang songs at the top of our lungs to let

everyone know we were back. We unloaded our suitcases and sleeping bags at Mr. Champagne's and our parents took us home. We will never forget this trip because we had so much fun.

A special thanks to Mr. Raymond Tremblay for organizing this trip and also to Mr. Real Champagne for helping organizing it. Also a special thanks to Mrs. Marcel Kremer, our nurse and the Legal School Board for giving us two school days and making this trip possible.

MICHELLE BRISSON
LEGAL

Paul, Sylvia, Michelle and Randy lost their lives early June 29 when the car they were riding in, driven by Paul, collided head on about one mile north of the Legal corner, with a southbound

Pretty girls promote Fete au Village

By Lucienne Montpetit
Brigitte is 15 years old and is attending Legal High School. She is living on a farm in Clyde with her parents Mr. and Mrs. Henri Lussion. Her ambition is to become a social worker or a nurse. She belongs to the Vimy 4H Beef Club which gives her an opportunity to work with different people. Brigitte feels it will be a wonderful experience and a pleasure to compete for the title of Mlle Fete au Village.

Kathy is 15 years old and has completed her grade 10. She enjoys skiing, volleyball and horseback riding. After she completes high school she intends to enroll in law at the University. Kathy is the daughter of Mr. and Mrs. Mike Gerla from Legal.

Lucille (Lucy) de Champlain is 16 years old and has completed her first year of high school in Legal. She enjoys all sports especially gymnastics, baseball and hockey. When she completes high school she plans to go to university in education. She enjoys public speaking, sewing and helping out on the farm. Lucille is the daughter

Candidates in the Mlle Fete au Village Quintette contest in their pretty matching frocks will be working hard and making many public appearances in and around Legal as they promote the village festival on the last weekend in July, and compete for the honour of becoming Mlle Fete au Village. They are Brigitte Lussion, bottom row left, Kathy Gerla, Lucille (Lucy) de Champlain, Lorraine Champagne, top left and Louise Kiesler.

Photo by Legal Photo Studio.

of Mr. and Mrs. Fernand de Champlain from Vimy.

Lorraine Champagne has completed grade 10 at J. H. Picard School in Edmonton. She is now residing in Legal. Lorraine plans to enter in the

field of social work after completing high school. Her hobbies are reading and sewing. Lorraine is the daughter of the late Mr. and Mrs. Henri Champagne.

Louise Kiesler is 16 years

old and is the daughter of Mr. and Mrs. August Kiesler. Louise is a grade 11 student of Legal. Her ambitions are to become a clerk-typist and her hobbies are craft work and playing guitar.

Six young people killed in head-on road accident

Six young people were killed and another seriously injured in a head-on collision just north of Legal, June 29.

A spokesman for the St. Albert detachment of the

RCMP said last week that the accident was the worst he had seen in eight and a half years while working at the detachment. It is still being investigated and will be for sometime the spokesman added.

Two other vehicles ran into the wreckage of the first accident which occurred at 2:57 a.m., 1.2 miles north of the turn-off with Highway Two and secondary road 651.

Those killed in the accident were Sylvia Charrois, 19, Randy James Kovak, 17, Joseph Paul DeChamplain, 19, Michelle K. Brisson, 17, all of Legal.

Daniel Mahe, 19 of Legal also received serious injuries in the accident. Others fatally injured in the collision

were Jeffrey M. Cumbleton, 19, of Edmonton and Lori Johnson, 15, also of Edmonton.

Cumbleton was driving alone at the time of the collision and was heading south.

As the lights of the crashed vehicles went out because of the collision two other vehicles ran into the initial impact. The first

vehicle was driven by Darl A. Riopel, 18, of Vimy, and the other by Keith Peter Tremblay, also 18, of Edmonton. These drivers were not hurt, nor were the two passengers in the Tremblay car.

RCMP from St. Albert, Morinville and Westlock were called immediately to the scene of the accident.

Legal CWL report

By Claire Y. Keane
The St. Emile's CWL of Legal held their regular monthly meeting at the Recreation Centre June 17 with five members present.

Father Bissonnette opened the meeting with our League Prayer.

Sec.-treas. Madeline Cornelis read the minutes of the last meeting, and also gave the financial report.

Mary Kachowski read an interesting article entitled "Wings of Prayer." Following was another lovely poem, called "My Rosary! My Comfort!" read by Claire Y. Keane.

The secretary read the correspondence. Madeline Cornelis very capably presented us with this month's

study program, entitled "Active members in our community." A very interesting discussion followed. President Mary Quaghebeur next read a letter on "Pro-life Petition Parliament."

Spiritual Director, Father Bissonnette asked us all to pray to God that we all have a safe holiday. He reminded us that the masses on June 28 and 29 will be changed for that weekend. The Saturday night mass on the 28th will be in French and the only mass on Sunday the 29th of June will be at 9 a.m., in English (with no other mass on that day).

Meeting closed with a prayer to "Our Lady of Good Counsel."

Report From Bon Accord

By Sadie Allen

The spirit of the Old West lives on: Calamity Jane and Annie Oakley of the Old West fame recently travelled overland to San Diego and endured the hardships and apprehensions of the unknown through the desert and wilderness of the South-West United States, in order to pick up and deliver four outstanding Appaloosa brood mares bred to some of the best stallions in the South West United States to Spruce Ridge Ranch, Bon Accord. Our modern day versions of Calamity Jane and Annie Oakley were Verona Sturrock and Norma Bunnell who completed this strenuous round trip in eight days - no mean feat for anyone, and so it can be said that "Women's Lib is really here to stay."

The summer playground program is now on in the Bon Accord area. Place - Bon Accord Community Centre. Time - Monday through Friday from 10 a.m. to 4 p.m. It caters to 6 - 14 age group. Preschoolers may attend but must be accompanied by a parent or older brother or sister. Florence McKay and

Heather Fearnley are in charge of the program. Senior baseball tourna-

ment coming up this weekend - July 11-12 and 13 with the added feature of an eight

team midget girls round robin fastball tournament also scheduled. The weekend

gets underway on Friday, July 11 with a dine and dance to the music of the Country Peppers, bar opens at 8 p.m., with dancing from 9 - 11. Tickets are \$7 per couple and may be obtained from Pauline Mansfield, 921-3625 or Doreen Hewitt, 921-3581. Ball games are scheduled to get underway at 11 a.m., Saturday and will run throughout both Saturday and Sunday - Game time 11 a.m. A beer garden will be open in the area from 11 a.m. to 10 p.m. on Saturday. Food booths will also be open on the grounds. Admission to the grounds is \$1 for adults - under 16 free.

pany to the community centre. There were no dissenting votes to the motion. Those present included four members of the original group who formed the Mutual in 1936 -- Mr. George Carleton, Mr. John Bland, Mrs. Herschel Samis and Mr. Jack Milligan. The meeting agreed to the request from the Department of Culture, Youth and Recreation that all company records be placed in the Provincial Archives as a permanent memorial to individuals' enterprise in communications.

A warm welcome is extended to Dorrie Kirby from England, visiting with her sister and brother-in-law Marjorie and John Morris.

A correction on an earlier report - winners for the Brownie, Guide, Cub and Scout wind-up party were donated by Mr. Archie Jenkins, not the village council, as originally stated.

Winners of the Bon Accord annual Dairy Goat show milking competition, left to right, back row: Mrs. Ethel Samis accepting the Morinville Auction Sales trophy from Wes Carleton, president of the Bon Accord and District Agricultural Society. Arnold Reichle presenting the A. Reichle Carpet Installations trophy to Mrs. Ruth Mausolf. Miss Carmen Carleton on behalf of (Ethel Samis), accepts the Gerry's Mechanics trophy from Art Strawson. Does from left to right: Happiness Topas *M, owned by E. Samis produced 13.7 lbs. of milk with 2.9% B.F. for 25.3 points, Best Purebred Saanen in Show and Reserve in Udder Competition Mascuta's Sarah *owned by R. Mausolf gave 9.2 lbs. at 4.65% butterfat for 21.4 points. Sarah was Best Unrecorded Grade in Show and third in Udder Comp. Adworth Ginal *M, owned by E. Samis produced 11.5 lbs. at 2.7% butterfat for 21.3 points. Ginal was Grand Champion Purebred Toggenburg in Show, also has the distinction of being the dam of Happiness Celeste **M. Celeste is believed to be the only two star milker bred and owned by an Alberta resident.

Sturgeon Regional Recreation Report

Summer playgrounds in the Sturgeon area opened July 2. The hours of operation in Bon Accord, Legal and Gibbons are Monday through Friday from 10 a.m. - 4 p.m. Morinville playground will be open Monday, Wednesday and Friday from

10 a.m. to 4 p.m., and on Tuesday and Thursday from 1 - 4 p.m.

The travelling playground will be in Mearns and Alcomdale on July 14 - 18. The hours of operation in Mearns will be Monday, Wednesday and Friday from 10 - 12 p.m.,

and on Tuesday and Thursday from 1 - 4 p.m. In Alcomdale the playground will be open Monday, Wednesday and Friday from 1 - 4 p.m., and on Tuesday and Thursday from 10 - 12 p.m.

On July 21, 22, 24 and 25 the travelling playground will be in Horse Hill and

Evergreen. The hours of operation in Horse Hill will be Monday and Friday from 10 - 12 p.m., and on Tuesday and Thursday from 1 - 4 p.m. The playground in Evergreen will be open on Monday and Friday from 1 - 4 p.m., and on Tuesday and Thursday from 10 - 12 p.m.

REQUIRED MOTOR GRADER OPERATOR

The Municipal District of Sturgeon #90 requires an experienced motor grader operator.

Work to commence immediately. Machine is located at the MD yard in Morinville. Area of work is between Morinville and the City of Edmonton limits.

Applicant must state age and experience. Salary is five dollars per hour. Applications are to be submitted to the undersigned on or prior to July 21, 1975.

Robert W. Stack,
Superintendent of Public Works,
Morinville, Alberta.
PHONE: 424-6276.

Morinville's growth in the lap of the Gods

It's in the lap of the Gods," said Mayor Art Stapleton of Morinville after a Local Authorities Board hearing in that town June 26 held to discuss the pros and cons of Morinville's growth.

The hearing centered around a 600 acre annexation proposed for the town's north-east sector, and the results of the hearing are not expected to be known for at least three months. Mayor Stapleton says that Morinville needs growth to help develop the drainage and a \$2.2 million sewer line which will come with an expanding population.

Mayor Stapleton said that support for the town's annexation application had been indicated by the MD of Sturgeon at the hearing, also the two developers Qualico and Forest Glenn Dixie and Associated Engineers.

But the crux of the whole issue seems to lie with Morinville and St. Albert which was represented at the hearing by Mayor Dick Plain. After the hearing he said that if it were technically and economically possible for the sewer line tie-in with Morinville and St. Albert then the two communities would proceed with the hook-up. He added that a document which would outline controls on the hook up

as well as economic and technical terms of reference would be drawn up for St. Albert council to ratify and present to Morinville.

Mayor Plain said he felt that the annexation issue may have to go to the Public Utilities Board for further examination.

Highlights of the hearing the Mayor said were that the developers did not seem opposed to annexation, but some concern was expressed as to the rate the population of Morinville would grow, once development was underway. Eight hundred people a year could come to the (expanded) town and over a four year period this would mean that the population would more than triple. Forest Glenn Dixie had asked what the quality of life would be like in Morinville once the population had grown by that amount, the Mayor pointed out.

Also at the hearing the well worn question of how to keep the Manawan Drainage System at existing levels came up and the MD of Sturgeon is known to be particularly anxious that drainage requirements in this area are met in future developments.

The loss of prime agricultural land was also a bone of contention at the June 26 LAB hearing.

Calahoo News

Calahoo and district residents were shocked and dismayed to hear of the accident in which a very fine gentleman in the person of Tristram Nyhus lost his life at only 40 years of age on June 7.

It's a relief to hear his wife Margaret (Vollmer) Nyhus formerly of Calahoo, is doing well in Saskatoon Hospital.

There were coming with their sons Perry and Bradley from Hardec, Saskatchewan, to visit with relatives in St. Albert and Margaret's mother, Mrs. Mary Vollmer.

To all the families touched by this tragedy, Calahoo sends its deepest, most heartfelt sympathy.

Two more pioneers of

Calahoo have passed on - Mr. Simon Ireland was a kindly man and fine gentleman.

A fine lady and wonderful mother was Mrs. Christina Callihoo and our deepest sympathy goes out to all their families too.

Through the summer's recreational program it cer-

tainly is wonderful to learn how to swim.

The bus picks the eager participants up at Calahoo and takes them into O'Leary Pool for lessons every day for two weeks. Among them are Mark Steinkampf, Mark Karin and Anita Lischewski and Shauna Green from Green Willow district.

GOLDENAGERS MEET

A small but happy gathering enjoyed the afternoon when the Calahoo Senior Citizens' met June 25 in the Gazebo, with 19 friends and neighbours playing cards and bingo or just plain visiting.

It was nice to see Frank Gawron out and also Fred Labonte, whose wife had been in Stony Plain Hospital for two weeks.

The senior citizens tour to Saskatoon and around through Medicine Hat had to be set ahead to August 10 through 16 because of not enough participants so it is hoped at this later date the circle tour will materialize.

A luscious angel food cake was set before Tommy Callihoo, and happy birthday sung to him during the always pleasant lunch hour.

The next meeting will be held on July 9, at 1:30 p.m. and visitors are always welcome.

An omission in the list of names for Calahoo's pee-wee girls football team with Frank Banham coaching were Sharon Zacharias and Michelle Bohning.

Together they won the trophy in the finals played in Morinville recently. Sorry girls.

Brian and Denise Brenneis of Calgary in company with Jerry and Debbie Byer recently took a holiday to Disneyland, Marine Lane, The Redwoods, and Karmell, a town of all pure white sand, to name just a few scenic spots of beauty and interest.

The Fred Hensen's of Onaway and the Erwin Lischewski's of Calahoo got together for a picnic supper recently when their children who are in 4H were painting the stalls prior to achievement day.

The girls, Shauna Green, Anita and Karin Lischewski did themselves proud for their first year in Lakemere 4H Beef Club.

Since Ernie and Marge Larson, Martin and Amber

went on holidays, Ernie's brother Marvin (now a commercial pilot) and Leona are staying at the house, taking care of things in their absence.

Bud and Louise Elliott, Wayne Arlene, Bruce and Joanne came from Pincher Creek to visit with the E. Lischewski's and now Bruce and Joanne are staying on to play with their cousins for a spell.

Arvilla Majeau of Calahoo spent a pleasant visit with her sister Mary Calder in Blue Ridge recently and now has gone to Calgary to see another sister Mrs. Joyce Norris who isn't too well just now.

Grandmothers always have an opportunity to enjoy their grandchildren. Clara Loyer went in to the city to stay with hers at Jimmy and Clara Loyer's so the parents could get away for a few days.

Eddy Walker has to be chief cook these days while his parents, Stanley and Kathleen are in Vancouver, B.C., visiting friends and relatives.

Now that summer is here a drive to the beach is always in order. Foch and Eve Blouin from the city came out to their cottage at Pine Sands, and make frequent visits to their good friends, Adelard and Melina Paquette.

It was nice to have a letter from Mary Jane Douglas of Onaway, who is presently in West Germany taking riding lessons.

She says they are sweltering in the heat just now but really enjoy exercising, and at the same time learning the finer points of riding on seven or eight horses every day. Her Australian friend Wendy is good company in a strange land.

Mrs. Don Jackie Campbell residing on the former Alvin D'hoedi's farm enjoys her visits to Lillian Lischewski and visa versa.

VIMY NEWS

By Darlene Provencal

Mr. and Mrs. Edmond Sabourin and their travelling partners, Mr. and Mrs. Philip Shank of Clyde, are back home after a nice 10 day holiday through B.C.

On June 20, many local farmers and their wives enjoyed a dinner at the community hall, sponsored by Swift Canadian and the local Swift dealer, Richard Sabourin. Following the banquet, a film was shown, after which Mr. Jim McRoberts, the general manager at the Edmonton Feed Mill, gave a short address on Swift's Research Centre in Iowa. The evening was ably emceed by Murray Steeves, Swift territory manager for this area. The evening ended with dancing and a lunch served at midnight.

The people of our community gathered together Sunday evening, June 22 to bid farewell to the Filles des Jesus sisters who have resided here over the past 31 years. Thirty-four sisters were honoured, but several were unable to attend. A small musical program, under the direction of Mary Bernard, was held in their honour. The sisters were

then presented with a gold plaque as a token of remembrance from the people of Vimy. The Mother Provincial, Sister Gabrielle Forier accepted the plaque on behalf of the sisters and spoke a few words of thanks. The first sister in Vimy, Mother Elizabeth, spoke of her life here and how the Vimy children held a special place in her heart. The people then socialized among themselves and a lunch was served to conclude the evening.

Mr. and Mrs. Robert Sutherland enjoyed a family reunion at Pine Lake last weekend.

Mr. and Mrs. Fern Bilo-dreau and Mr. and Mrs. Earl Brown motored to Vermillion last weekend to attend a class reunion at the college. For Fern this was his 19th year away from college and Earl was given a little presentation for this being his 25th year.

Paul Provencal and his bride-elect, Doreen Champagne, daughter of Mr. and Mrs. Paul Champagne of Legal, were feasted at a mixed shower on Saturday, June 29 at the Vimy Community Hall.

Many relatives and friends gathered for this occasion and after an evening of dancing, a buffet lunch was served. Paul and Doreen thanked everyone for coming and also for the purse that was presented to them.

Sincere condolences are being sent to Mr. and Mrs. Fern DeChamplain and family upon the loss of their son, Paul, in a tragic auto accident last weekend.

Namoo News

By Norma Crozier

Tickets are still available for the Namoo Barbecue and Klondike dance to be held in the school gymnasium on July 19. Tickets are \$6 per person and may be obtained from Mrs. Wanda McLeay - 799-3747, Johnny's Store, Samis Garage or T & D Storage.

A teacher is required for Namoo Play school beginning in September. Experience is desirable but not necessary. Interested persons please call 799-5434 or 799-5700.

Namoo Paper Bin has been cancelled for July. Next bin will be on Sept. 24 and will

continue every other month. Please tie your papers four ways. The first drive was very worthwhile.

Congratulations to Mr. and Mrs. Ross McLeay on the birth of their son, Ryan Douglas at the General Hospital on July 2, weighing in at 7 lbs. 14 ozs., a brother for Jason. A new grandson for Mr. and Mrs. Jack McLeay.

A shower honouring Sherry Evans will be held in the Namoo Community Hall on Thursday, July 17 at 8:30 p.m. Sherry will be married to Ronald Crozier on July 26.

Jet Tudors increase air movements

There'll be more aircraft movements at Namoo Air-base over the next two weeks as 12 Tudor aircraft from CAF Moose Jaw make the base their home till July 25.

A spokesman for the Canadian Armed Forces said Monday that this will not increase the number of planes over St. Albert as the training aircraft will take off from the base in a north-south direction.

Two of the jet Tudors arrived at the base July 7 and the rest will follow soon.

Reason for the Tudors coming to Namoo are runway maintenance operations at

Moose Jaw.

The Tudors will return to Namoo again for a short spell in the fall.
